Hi, Quentin!

Welcome to the NJ REALTORS® Circle of Excellence Sales Award® application. This award recognizes those members who have demonstrated excellence in the field of salesmanship. Units are earned for quantity and dollar value of closed transactions throughout the calendar year.

Starting this year, we will no longer be accepting any hand-written applications. You **must** enter all of your transactions online, pay for the award, print out your summary sheet, and then submit a hard copy to your local board.

Additional details on the application process are below.

How To Apply

Application Steps

Navigation/Header

- ◆ The main navigation bar allows you to click between the different parts of the application, such as transactions and industry units, which can be completed in any order and at any time. (The system saves your progress, application does not need to be completed in one sitting.)
- ◆ You will notice that the Pay / Print options are not available at first. You need to enter enough transactions to earn at least a Bronze award, then the Pay option will be available. After you have successfully paid for your application, you will then be able to print your final application, which must be submitted to your local board/association, in person, by the deadline.
- ◆ Also in the header section are pop-up tools for viewing previous award history, your current award status level (based on transactions entered), and the application rules (including advertising rules).

- Click “New Transaction” to enter a transaction, or “View Proof Requirements” to see the required verification materials for each transaction. Click on any of the 4 transaction type sections to expand that section and view/edit/delete any transaction if needed.

The screenshot displays the Transactions page interface. At the top, there are two tabs: "Dollar & Unit Method" (selected, green) and "Supply Unit Method" (grey). Below the tabs, the "Dollar & Unit Method" section shows: SALES at \$3,500,000.00; UNITS at 52.000 + 0 IU = 52.0 TOTAL; CURRENT AWARD LEVEL at BRONZE; and NEXT LEVEL at Silver (\$6.5 million / 20 units). The "Supply Unit Method" section shows: UNITS at 52.000 + 0 IU = 52.0 TOTAL; CURRENT AWARD LEVEL at BRONZE; and NEXT LEVEL at Silver (70 units). Below these, a horizontal bar shows the award levels: Bronze (selected), Silver, Gold, and Platinum. At the bottom, there is a "My Transactions" section with a "+ NEW TRANSACTION" button and a "VIEW PROOF REQUIREMENTS" button.
