11:5-2.2 Licensed schools and instructors; requirements

(a) The following regulations are applicable to schools and instructors licensed to conduct prelicensure courses of education in real estate subjects pursuant to N.J.S.A. 45:15-10.4 and 10.5, to applicants for such licenses and, as applicable, to the conducting of continuing education courses by such schools and instructors pursuant to N.J.A.C. 11:5-12.1.

1. The original license term for pre-licensure course instructors and schools shall begin on July 1, 1994 and terminate on February 28, 1997. Thereafter, each two-year license term for school and instructor licenses shall run from March 1 to the last day of February of the second following year.

(b) The Commission shall require any school or instructor in making application for licensure to submit certain documents, statements and forms which shall form the basis for the Commission's judgment whether to grant a license. Where the Commission initially denies an application for a school or instructor license, it shall provide to the applicant notification in writing with reasons for such action. The applicant may appeal such a decision to the full Commission. N.J.A.C. 11:5-11.10 shall be applicable to all such appeals.

(c) Public adult education programs conducted under the auspices of a board of education in this State and any college or

university accredited as such by the State Department of Higher Education shall be presumed to be qualified providers of real estate courses, so long as their real estate prelicensure education program is under the direction of a licensed instructor or other qualified individual who has affirmatively demonstrated to the Commission his or her good moral character and has met the other requirements of N.J.S.A. 45:15-10.9.

(d) Except as provided in (c) above, all other applicants for a license to operate a real estate prelicensure school, and in the case of a corporation, or limited or general partnership, the members, officers, directors and owners of a controlling interest thereof, shall demonstrate their good moral character, including the absence of any conviction for the crimes or other offenses specified under the provisions of N.J.S.A. 45:15-12.1. The Commission may make such further investigation and require such proof as it deems proper as to the honesty, trustworthiness, character and integrity of an applicant.

(e) When a school is to be conducted in the name of a corporation, a certified copy of its certificate of incorporation shall accompany the application for licensure. When a school is to be conducted under a trade name, whether a sole proprietorship, firm, general partnership, or limited partnership, a true copy of the certificate of trade name or articles of the general or limited partnership as filed in the office of the county clerk shall accompany the application. A school shall not use the designation of "College" or "University," as part of its name or in any other manner, unless it, in fact, meets the standards and qualifications of the State agency having jurisdiction and has been approved by that agency.

(f) Every school licensed by the Commission shall maintain a bona fide office open to the public during normal business hours for the purpose of assisting former and current students. Schools shall provide adequate space, seating, equipment and instructional materials for their students. The premises, equipment and facilities of the school shall comply with all local, city, county and State regulations, such as fire codes, building and sanitation codes. A certificate from a proper authority evidencing compliance with these requirements shall accompany an application for school licensure. The Commission may require proof of ownership or a copy of the lease if the facility is rented. Public adult education programs conducted under the auspices of a board of education in this State and any college or university accredited as such by the New Jersey Commission on Higher Education, the facilities of which have been approved by a State agency, shall be presumed to have met the requirements of this paragraph, so long as the real estate courses offered are held at the approved facility.

1. Any additional teaching locations must be licensed by the Commission and must comply with all the requirements appli-

cable to licensed schools, their directors and instructors as set forth in the Act and this rule. School directors shall have oversight responsibility for these locations. All prelicensure courses conducted at such locations must be taught by licensed instructors or guest lecturers, pursuant to N.J.S.A. 45:15-10.5 and this rule. All continuing education courses conducted at such locations shall be taught by licensed instructors or by individuals approved as continuing education instructors pursuant to N.J.A.C. 11:5-12.10.

(g) All schools shall furnish to the Commission at the time of application for initial licensure the school policy and regulations pertaining to standards for satisfactory completion of the courses offered at the school and the issuance of a Certificate, conditions for dismissal of a student and conditions for reinstatement.

1. Any changes in school policy and regulations, as set forth in (g) above, from the information submitted with the original application for school licensure or as otherwise previously supplied, shall be disclosed to the Commission within 10 business days in writing, or on a form which the Commission prescribes.

(h) When a school fulfills all of the requirements for licensure, then a license shall be executed by the President of the Commission as attested by the Executive Director. School licensure shall be limited to the specific ownership and school locations identified on the license document(s).

(i) An individual seeking approval as a director of a licensed real estate school administered by a public adult education program or an accredited college or university who is not licensed as a real estate instructor may nevertheless qualify as the director of such a school, so long as he or she is at least 18 years of age; has a background of good moral character, including the absence of any conviction for the crimes or other offenses specified under the provisions of N.J.S.A. 45:15-12.1; and has fulfilled all of the education requirements imposed upon candidates for licensure as real estate instructors within two years of applying to the Commission for approval to be the director of such a school.

Such course information shall be provided on forms prescribed by the Commission and shall be retained as permanent records for not less than three years after submission.

(k) No person, other than a guest lecturer, shall teach real estate education courses, the attendance and successful completion of which shall constitute the fulfillment of the educational

prerequisites for licensure established under N.J.S.A. 45:15-10.1, unless that person is licensed as an instructor pursuant to N.J.S.A. 45:15-10.5 and this section.

1. Each applicant for licensure as a real estate instructor shall be 18 years of age or older and shall have a background of good moral character, including the absence of any conviction for those certain crimes or other like offenses referred to in N.J.S.A. 45:15-12.1, subject to the applicant's ability to affirmatively demonstrate his or her rehabilitation from such conviction. In order to confirm the absence of any such conviction, the Commission shall require all non-attorney applicants to submit with their application for instructor licensure a New Jersey State Police Request for Criminal History Record Information Form and a certified check or money order in the amount established by the New Jersey State Police as the processing fee for such forms.

2. Each applicant for licensure must hold a bachelor's degree from an accredited college or university, except for the following applicants:

New Jersey broker licensees who have been licensed as such for at least the two years immediately preceding the application and who have completed the full 150 hours of broker prelicensure courses established at N.J.A.C. 11:5-2.1 shall be deemed to have fulfilled the education requirements for licensure as an instructor.

ii. The following individuals will not be required to take the 90-hour general broker course but must successfully complete the two 30-hour broker prelicensure courses referred to in N.J.A.C. 11:5-2.1 in order to fulfill the instructor prelicensure education requirements:

(1) New Jersey broker licensees who have been licensed as such for the two years preceding their application for an instructor license but who have not previously completed those two courses; and

(2) Licensed brokers from other states who have been licensed as such for the three years immediately preceding application.

Applicants are advised to engage in independent study and/or to take courses offered by independent providers on teaching methods.

5. Subsequent to passing the instructor license examination, as a prerequisite to being issued an instructor license, all applicants must attend a seminar conducted by or under the direction of the Commission staff covering Commission and licensing procedures. Such seminars shall be offered on a minimum of two dates, each in a different location throughout the state, during the second year of each two-year license term. Persons initially licensed as instructors in the last six months of the two-year license term are exempt from this seminar attendance requirement for the first renewal of their instructor license.

3. In the event that any person to whom an instructor's license has been or shall have been issued shall fail to renew such license or obtain a new license for a period of two consecutive years or more after the expiration of the last license held, the Commission shall require such person to again fulfill all the qualifications for initial licensure as an instructor prior to issuance of a further instructor's license. This requirement shall not apply to a person reapplying for an instructor's license who was a licensed instructor and who allowed their license to expire due to subsequent employment in a public agency in this State with responsibility for dealing with matters relating to real estate if the person reapplying does so within one year of termination of that employment.

(m) For real estate prelicensure courses, the maximum teaching load per instructor or guest lecturer shall not exceed the ratio of one instructor or guest lecturer to 60 students per class. Each prelicensure course offered by a licensed school shall be under the supervision of an instructor licensed pursuant to N.J.S.A. 45:15-10.5 and N.J.A.C. 11:5-2.2(k). At least one licensed instructor shall be present in the classroom at all sessions. However, additional instructors or guest lecturers may be utilized for instruction so long as not more than 25 percent of the required instruction is done by guest lecturers. Broker prelicensure courses may be taught by up to three instructors, provided that one licensed instructor is designated as having the responsibility for the quality of instruction in that course. School directors shall maintain as a business record the names of any persons teaching as guest lecturers or as a group of instructors, with an indication of the designated supervising instructor.

(n) All tuition charged by a school shall be specified separately. If additional fees are to be charged for supplies, materials or books needed in course of work, they shall be itemized by the school prior to the payment of any fees and such items shall become the property of the student upon payment.

(o) The tuition and fees shall be specifically set forth in a student contract. The contract shall expressly state the school's policy regarding the return of unearned tuition when a student is dismissed or withdraws voluntarily or because of hardship.

(p) Any person who has a permanent disability or physical handicap which precludes that person from attending regular scheduled classes at a licensed school may request Commission approval to receive special instruction through a licensed school provided this request is supported by sworn statements of doctors or other persons having knowledge of the facts and provided a licensed school is willing to undertake such an agreement.

(q) No school shall, without the approval of the Commission, accept for enrollment as a transfer student any person concurrently enrolled with any other licensed school, unless upon the showing of good cause by said student to the Commission in writing.

(r) Any school that offers real estate continuing education courses shall maintain records of licensees' attendance at such courses as prescribed by N.J.A.C. 11:5-12.8. Every school shall permanently establish and maintain for each student enrolled in a prelicensure education course, complete, accurate and detailed records for a period of not less than three years after student matriculation. Such records shall be available for inspection during regular school hours by the Commission and shall contain the following information:

1. The total number of hours of instruction undertaken by the student,

2. Completed areas of study in real estate subjects prescribed by the Act and these regulations;

3. The student's attendance record; and

4. The names of all supervising instructors and guest lecturers.

(s) To satisfactorily complete any prelicensure course, a student must receive a passing grade and attend at least 80 percent of the class session hours required for the course by N.J.A.C. 11:5-2.1.

(t) Upon a student's satisfactory completion of a prelicensure course in real estate, the school shall issue to the student a Course Completion Certificate.

(u) The director of a real estate school shall be responsible for properly closing the school in compliance with this subsection.

1. No later than 10 days after the date on which the school ceases operations, the director shall return the school license, stamp, and all education certificates to the Commission and shall advise the Commission in writing of the date on which the school closed.

2. Within 30 days of the date on which the school ceases operations, the director shall submit an affidavit to the Commission certifying the following:

i. The location where student records are to be kept in compliance with (r) above and the name of the person who is to act as custodian of the records. The Commission shall be notified immediately of any change in such information. Records shall be kept for a period of not less than three years;

ii. The name of the owner or authorized representative of the school and the address where he or she may be contacted by the Commission;

iii. That the school license and school stamp have been returned to the Commission;

iv. That all students have been timely notified of the school closing, and any tuition received by the school for future courses or courses which were not completed has been returned to the students;

v. That all signs have been removed, and all advertisements and trade materials which refer to the school have been recalled;

vi. That the appropriate telephone services have been advised that the school is closed and that future telephone directories should not contain the name of the school; and

vii. That there are no outstanding fees, fines or penalties due and owing the Commission.

(v) No school shall use any name other than the name in which it is licensed for advertising or publicity purposes; nor shall any school advertise or imply that it is "recommended," "endorsed," "accredited," or "approved" by the Commission, but a licensed school may indicate that it has been "licensed" to conduct courses of education in real estate subjects to qualify applicants for licensure examination. No school shall make any warranties or guarantees that a student will pass the State license examination as a result of taking its course.

(w) (Reserved)

(x) The purpose of this subsection is to assure that there is a total separation between instructional activity conducted by licensed schools and any solicitation of students, which, as defined in (x)2ii below, means any recruiting efforts or brokerage activity directed at students. These provisions will be construed in a manner consistent with that regulatory objective. A violation of any of these provisions will be considered by the Commission as conduct demonstrating unworthiness for licensure, thereby subjecting the offending licensee to sanctions pursuant to N.J.S.A. 45:15-17(e) and (t). The Commission may also impose sanctions for a violation of these provisions pursuant to N.J.S.A. 45:15-10.11 and N.J.A.C. 11:5-12.15. Requirements regulating the involvement of licensed schools in soliciting students to become salespersons or referral agents for particular real estate brokers are as follows:

1. At the beginning of the first class session of all salesperson or referral agent prelicensure courses, all licensed schools shall distribute to all students in writing the following:

NOTICE

**TO: ALL SALESPERSON/REFERRAL AGENT
COURSE STUDENTS**
FROM: NEW JERSEY REAL ESTATE COMMISSION
**RE: SOLICITATION OF SALESPERSON OR
REFERRAL AGENT LICENSE CANDIDATES
AT PRELICENSURE SCHOOLS**

It is the policy of the New Jersey Real Estate Commission that there be a complete and total separation between the instruction you receive in your prelicensure education course and any efforts by brokers to recruit you to join their firm and/or to secure listings or offers on listed properties from you. This policy is reflected in Commission rule N.J.A.C. 11:5-2.2(x), which is reproduced in its entirety below.

If you are subjected to any recruitment efforts or are solicited for listings or offers during class time you should immediately

notify your instructor, the Director of your school, and the New Jersey Real Estate Commission by writing to:

New Jersey Real Estate Commission
20 West State Street
PO Box 328
Trenton, New Jersey 08625-0328
Attn: Director, Real Estate Education

You are free to negotiate the terms of your employment with any broker. It is in your own best interest to talk to several prospective employing brokers before deciding which offers the best compensation plan, including post-termination payment provisions, and support package for you. You should also consider a prospective employer's professionalism and reputation for honesty and integrity when deciding which broker to work for.

In the event an enrolled student does not attend the first session of a salespersons/referral agents course, a copy of the foregoing notice shall be delivered to that student at the commencement of the first class session which that student does attend.

2. For the purposes of this subsection, the following definitions shall apply:

i. The phrase "brokerage activity" means any activity which, pursuant to N.J.S.A. 45:15-1 and 45:15-3 would require the person engaging in such activity to hold a license as a real estate broker, real estate salesperson or referral agent;

ii. The term "solicit" means to recruit, invite or urge a student to seek employment with a particular broker, or to list, purchase or lease through, or to make referrals of listing, purchaser or lessee prospects to a particular broker; and

iii. The phrase "successful completion" means the receipt by the student of a Real Estate Commission school certificate form, duly signed by the instructor and the school director and stamped by the licensed school, certifying to the student's having completed and passed a precensure course conducted by that school.

3. With the exception of posting, distributing or displaying written materials as provided in (x)5 below, no school director, instructor, guest lecturer or staff member shall, prior to, nor within seven days following, a student's successful completion of a course, solicit a student to become a salesperson or referral agent for any particular real estate broker, nor shall any such person at any time accept any fee or other compensation for soliciting or recruiting students attending their school to apply for employment with a particular real estate broker.

4. No in-person or electronic solicitation of students to apply for employment as salespersons or referral agents with a particu-

lar real estate broker shall be permitted at a licensed school location during the prescribed class hours, nor in the breaks between such class hours. Such soliciting may be scheduled and held at licensed schools before, after or separate from the prescribed class hours, for example as a "career night" for students, provided that students are notified in writing in advance that their attendance at such recruitment functions is completely voluntary. However, no school director, instructor, guest lecturer or staff member shall engage in such activity at any time prior to, nor within seven days following, a student's successful completion of a course. Licensed instructors who are also licensed brokers, salespersons or referral agents may conduct precensure courses, and licensees who are not licensed instructors may appear as guest lecturers in such courses, so long as their presentations do not include the solicitation of students.

5. Any licensed school which posts, distributes or displays written material which solicits students to inquire about employment as a salesperson or referral agent with a particular broker must similarly post, distribute or display comparable written material from any real estate broker who requests the school to do so. However, no written material soliciting students to apply for employment with a particular real estate broker or any referral program shall be distributed during the prescribed class hours.

6. No licensed school may offer a reduced tuition rate to students where eligibility for the lower tuition is contingent upon a student making a commitment to becoming licensed through a particular broker subsequent to their qualifying for licensure and no licensed school may otherwise make or imply any promise or guarantee of employment to any student.

7. No oral statements or written text referring to a licensed school may be included or contained in any advertisement by a real estate licensee, and no advertisement of a licensed school may refer to the brokerage operation or include the telephone number of any licensee except that a school which is owned by a real estate licensee or franchisor may use that name in its school name.

i. Any advertisement by a school whose name includes the name of an affiliated licensed real estate broker or franchisor shall include the following disclosure legend:

Attending this school will not obligate you to become employed with our affiliated real estate broker(s), nor guarantee you an interview or a job with our affiliated real estate broker(s).

ii. No advertisement referring to a licensed school may be placed in the Help Wanted classified section of any newspaper or periodical.

8. No licensed school shall conduct prelicensure course sessions in any area which is part of a location which is licensed as a main or branch office of a real estate broker. For the purposes of this paragraph, an area will be considered as part of a licensed office location if any brokerage activity is conducted in that area at any time.

i. Where space on two or more floors in a multi-story building is licensed as a main or branch office location, it is permissible for prelicensure courses to be conducted in such a building, provided that the primary means of access to and egress from the floor where the courses are conducted does not require the students to walk through any area of the licensed office location wherein brokerage activity occurs.

ii. Where only one floor in a building is licensed as a main or branch office, it is permissible for prelicensure courses to be conducted in another area on that floor, provided that there is a separate entrance to that area either from the exterior of the building or from a common foyer or lobby and provided that the primary means of access to and egress from the area wherein the courses will be conducted does not require students to walk through a portion of the licensed premises wherein brokerage activity takes place.

iii. In all situations where prelicensure courses are conducted in the same building in which brokerage activity occurs under the authority of a broker in any way affiliated with the licensed school conducting such courses, the broker shall post signs either on the exterior of the building or in any common foyer or lobby, directing students either to the separate exterior entrance to the school location or to the primary route of access to the school location from such foyer or lobby.

9. No licensed school shall allow any person to solicit students enrolled in, or considering enrolling in, a prelicensure or continuing education course to list, purchase or lease any property; or for referrals of prospective sellers, purchasers or lessees at any time while such students are on school premises.

(y) Licensed schools providing continuing education courses shall comply with all requirements imposed upon the providers of such courses as set forth in N.J.A.C. 11:5-12.

11:5-3.11 License transfer and termination procedures

(a) For the purpose of expediting the right of licensees to engage in real estate activities, where license certificates cannot be issued without delay after all conditions have been fulfilled, the Commission directs that a certificate of authority in the form of a letter to the licensee be sent to serve as a temporary license for a limited period of time.

(b) In cases where a licensee who is transferring from one broker to another requests that their current broker deliver their license to them, rather than return it to the Commission, so as to personally facilitate the transfer process, the license shall be so delivered, provided that:

1. The rear of the license certificate is signed and dated by the terminating broker in the appropriate location prior to the delivery of the license to the departing licensee,

2. At the time of the delivery of the license to the departing licensee, the termination confirmation section of the license, reflecting the effective date of the licensee's separation from that broker, has been completed, signed and retained by the terminating broker; and

3. Within five business days of the delivery of the license to the departing licensee, the terminating broker shall either:

i. Mail to the Commission the completed and signed termination confirmation section of the license and send a copy of it to the departing licensee at their last known residence address; or

ii. Process the termination online at <http://www.state.nj.us/dobi> and send a copy of the completed and signed termination confirmation section of the license to the departing licensee at their last known residence address

(c) A transferring licensee who receives their license from the terminating broker after that broker has signed the license and entered the date of termination on it may then take that license to their new employing broker. Prior to the transferring person commencing work as a licensee for the new employing broker, that broker shall:

1. Enter on the license in the appropriate location the effective date of the individual's employment with that broker and sign the license as the new employing broker;

2. Detach the temporary license stub portion from the main license document and place it with the licenses of the other persons licensed with that broker; and

3. Either mail to the Commission the dated and signed license of the transferring individual with the required transfer fee (see N.J.S.A. 45:15-14) in the form of a certified or cashier's check or money order or broker's business account check (See N.J.A.C. 11:5-3.2) or process the transfer online at <http://www.state.nj.us/dobi> and pay the required transfer fee in the form of an electronic check or credit card and retain the paper license signed by the broker, with the effective date of the transferring individual's employment with their firm entered thereon, as a business record as set forth in (f) below.

(d) In cases where a broker terminates the employment of a broker-salesperson, salesperson or referral agent with his or her firm or where a broker-salesperson, salesperson or referral agent resigns such employment, written notice specifying the effective date of the termination or resignation shall be provided by the terminating broker or by the resigning licensee, as applicable. Within five business days of the broker's issuance of a notice of termination or receipt of a resignation, if the licensee has not requested the delivery of the license to them so as to personally

facilitate a transfer of their license to another broker, the broker shall either:

1. Deliver or mail to the Commission the licensee's license; or

2. Process the termination online at <http://www.state.nj.us/dobi>; and

3. Regardless of whether the procedure in (d)1 or 2 above is utilized, contemporaneously send to the licensee at their last known residence address written notice of the license having been returned to the Commission or of the termination of the licensee's employment with the broker having been processed online.

(e) The following regulations pertain to online transfers and terminations:

1. Only referral agent, salesperson or broker-salesperson licenses can be transferred or terminated online;

2. All terminations and transfers shall be completed by an active broker of record or an active employing broker;

3. A broker of record or employing broker shall not process an online termination or transfer on their own license; and

4. Online transfers are not allowed unless the license of a referral agent, salesperson or broker-salesperson has been terminated by the broker of record or employing broker under whose supervision the transferring individual was licensed to engage in brokerage activity prior to the termination.

(f) Brokers who terminate licensees or accomplish the transfer of licensees to their firms as set forth in this section shall maintain records of such terminations and transfers for six years.

SUBCHAPTER 4. EMPLOYMENT PRACTICES/OFFICE AND LICENSEE SUPERVISION

11:5-4.1 Licensee business relationship agreements; commissions; accounting to salespersons and referral agents; actions for collection of compensation

(a) Prior to a salesperson or referral agent engaging in any real estate brokerage activity, a broker and the salesperson or referral agent must enter into and sign a written agreement that contains the terms of their business relationship. Such agreement shall contain terms including, but not limited to, the following:

1. The rate of compensation to be paid to the salesperson or referral agent during his or her affiliation with the broker;

2. A promise by the broker to pay to the salesperson or referral agent his or her portion of commissions earned within 10 business days of their receipt by the broker or as soon thereafter as such funds have cleared the broker's bank, or in accordance with another payment schedule explicitly set forth in the written agreement;

3. The rate of compensation payable to the salesperson or referral agent on transactions which close and, if applicable, on renewals which occur subsequent to the termination of the salesperson's or referral agent's affiliation with the broker; and

4. A provision that any future changes to the agreement will not be binding unless the changes are contained in a writing signed by both parties.

(b) A copy of the fully executed agreement shall be provided to the salesperson or referral agent upon the commencement of his or her affiliation with the broker, and the original thereof shall be maintained by the broker as a business record in accordance with N.J.A.C. 11:5-5.5.

(c) All compensation paid to brokers shall, unless debited from funds held in escrow in accordance with N.J.A.C. 11:5-5.1(d), be deposited into the general business account of the broker within five business days of their receipt by the broker.

(d) If any monies due a salesperson or referral agent under the terms of the written agreement with their broker are not paid within 10 business days of the broker's receipt of such funds or promptly thereafter upon their having cleared the broker's account, the broker shall provide to the salesperson or referral agent a complete written explanation of the failure to pay such monies.

(e) Within 30 days of the termination of the affiliation of a salesperson or referral agent with a broker, the broker shall provide a complete written accounting of all monies due the salesperson or referral agent as of the date of termination and/or which may become due in the future. If any sums so accounted for are not in accord with the terms of the post-termination compensation clause in the written agreement between the broker and the salesperson or referral agent, the broker shall give a complete written explanation of any difference to the salesperson or referral agent with the accounting.

(f) A broker must maintain copies of the following documents and proof of delivery of the document to the salesperson or referral agent for six years: agreements as described in (a) above, explanations of the failure to pay compensation due a salesperson or referral agent on a timely basis as described in (d) above, and accountings and explanations regarding compensation due a salesperson or referral agent subsequent to the termination of their affiliation with a broker as described in (e) above.

(g) If the Commission confirms that a broker has complied with the requirements imposed by this section, the Commission will not further investigate a complaint alleging the non-payment of a commission by a broker to a salesperson or referral agent unless such complaint is accompanied by a copy of an arbitration decision or the equivalent, or a copy of a judgment of a court of competent jurisdiction secured by the salesperson or referral agent against the broker. Unless appealed, the failure by a broker to pay monies awarded to a salesperson or referral agent under the terms of any such decision or judgment within

30 days of its effective date shall subject the broker to sanctions pursuant to N.J.S.A. 45:15-17.

(h) Broker, salesperson and referral agent licensees may only bring or maintain actions in the courts of New Jersey for the payment of compensation due them for brokerage services performed as provided in N.J.S.A. 45:15-3.

1. The Commission interprets the language "at the time the alleged cause of action arose" as used in N.J.S.A. 45:15-3 to mean at the time that the brokerage services which form the basis for the alleged claim to compensation were rendered. For example, at the time when a property was listed for sale or rental by a licensee.

2. The Commission does not interpret the language "at the time the alleged cause or action arose" as requiring that the licensee must have been actively licensed at the time that the compensation allegedly due was to have been paid. For example, the Commission does not construe this language as requiring licensure at the time of the renewal of a lease to enable a claimant to sue for compensation based upon a promise, made or in effect when the lease was originally executed, to pay additional consideration to the claimant in the event that the lease was renewed.

(i) All references to "salesperson" in this section include individuals licensed as broker-salespersons. All references to "non-payment of a commission" in this section shall be construed to include the non-payment of other forms of compensation.

(j) The Commission interprets "employment agreement," "employ," and "employing broker" in N.J.S.A. 45:15-1 et seq., and this section to permit an employment relationship or an independent contractor relationship between a broker and a broker-salesperson, salesperson, or referral agent.

11:5-4.2 Broker supervision and oversight of individual licensees, office operations and escrowed monies

(a) The following apply to individual broker licensees operating as sole proprietors (employing brokers) or as the authorized broker (broker of record) of a corporation or other entity licensed as a New Jersey real estate broker. As used in this section, the term "individual broker" shall refer to employing brokers and brokers of record and the term "broker licensee" shall refer to sole proprietors and corporations or other entities licensed as brokers.

1. The Commission will hold responsible individual brokers for any actions of the broker licensee or any person employed by or licensed through the broker licensee taken in the pursuit of its real estate brokerage business which violate any of the provisions of the real estate license law, N.J.S.A. 45:15-1 et seq., or the regulations promulgated thereunder.

i. This responsibility shall apply regardless of where the persons licensed through the broker licensee engage in actions in pursuit of the broker licensee's real estate brokerage business.

2. Every real estate transaction in which a broker licensee participates as a broker shall be under the ultimate supervision of the individual broker.

3. The individual broker shall, in addition to ascertaining that a separate account is maintained for the funds of others coming into the possession of the broker licensee, make certain that no such funds of others are disbursed or utilized without his or her express authorization and knowledge.

4. The provisions of this subsection do not apply to brokers licensed as broker-salespersons.

11:5-4.3 Use of license for the benefit of others

(a) No arrangement, direct or indirect, shall be entered into by any licensee whereby an individual licensee lends his name or license for the benefit of another person, firm or corporation, or whereby the provisions of the real estate statute and rules relating to licensing are circumvented.

(b) Lending a broker's license for the benefit of another person, firm or corporation shall be construed as including any arrangement whereby a broker fails to personally oversee and direct the operations of the business of which he or she is licensed as broker of record or employing broker. For the purposes of this section, personal oversight and direction of the business shall be construed as requiring the broker to be physically present in the main office or branch office locations of the business at least one day each week (excluding vacations and emergencies). Communication via telephone and/or mail alone for an extended period of time may be considered by the Commission as evidence of prohibited license lending.

(c) Nothing in this section shall be construed to limit a broker's responsibility to insure the adequate supervision of all offices in accordance with the requirements of N.J.A.C. 11:5-4.4 and 4.5.

(a) Every resident real estate broker not licensed as a broker-salesperson shall maintain a main office for the transaction of business in the State of New Jersey, which shall be open to the public during usual business hours. This main office and the activities of the licensees working from it shall be under the direct supervision of either the broker himself or herself, or of a person licensed as a broker-salesperson. Such supervision shall be maintained on a full time basis. Maintaining full-time supervision shall not be construed as requiring the person performing the supervisory functions to be present at the office location continuously during usual business hours. However, the person performing the supervisory functions shall provide sufficient information so as to allow the personnel at the main office to make communication with that person at all times. Further, the licensee supervising the main office shall be so employed on a full-time basis and, when not required to be away from the office for reasons related to the business of the office, shall be physically present at that office during usual business hours at least five days per calendar week (excluding vacations and emergencies) and shall not be otherwise employed during such time.

1. In the event the main office of a broker is under the direct supervision of a broker-salesperson, the broker who maintains such a main office shall be ultimately responsible for all activities conducted by licensees and employees. Such a broker shall also provide sufficient information to the personnel at such offices so as to allow them to make communication with such broker at all times. Nothing in this section shall be construed to limit a broker's responsibility to comply with the requirements of N.J.A.C. 11:5-4.3.

(b) If such office is located in a residence, it shall be independent of living quarters and shall have a separate exterior entrance plainly visible from the street upon which the licensed premises shall have frontage. Atty. Gen.F.O.1977, No. 14.

SUBCHAPTER 5. TRUST ACCOUNTS/RECORDS OF BROKERAGE ACTIVITY

11:5-5.1 Special accounts for funds of others; commingling

(a) Every resident real estate broker shall establish and maintain, in an authorized financial institution in New Jersey, and every reciprocally licensed Real Estate broker shall establish and maintain in an authorized financial institution in New Jersey or the State wherein he has a resident real estate broker's license, a special account or special accounts, separate and apart from other business or personal accounts, for the deposit of all moneys or others received by the broker acting in said capacity, or as escrow agent, or as temporary custodian, in a real estate transaction.

(b) Every real estate broker shall file with the broker's application for licensure or license renewal an affidavit or certificate setting forth the name or names of the financial institution or institutions where said special account or accounts have been established and shall identify any and all account numbers. Any change in an existing account or the establishment of any new account shall be immediately reported to the Real Estate Commission in the form of an affidavit or certification.

(c) In construing N.J.S.A. 45:15-17(o), the following shall be considered to constitute commingling by a licensee:

1. Mingling the money of his principals with his own;
2. Failure to maintain and deposit promptly in a special account in an authorized financial institution, separate and apart from personal or other business accounts, all moneys received

by a real estate broker acting in said capacity, or as escrow agent, or as the temporary custodian of the funds of others in a real estate transaction; or

3. Failure to promptly segregate any moneys received which are to be held for the benefit of others.

(d) Where the nature of a given real estate transaction is such that the commissions earned by a broker in connection with services rendered in said transaction are included among the funds deposited to the broker's trust account, the portion of such funds deposited to the broker's trust account which constitute the broker's commission shall be promptly paid from the trust account, with appropriate annotations to the broker's business records to indicate the amount and source of such commissions; provided, however, that such broker shall have been previously authorized to make such disbursement.

(e) Within the meaning of this section, the word "promptly" means not more than five business days next following the receipt of the money or property of another. However, where monies are received by a licensee as provided in (c)2 above as a good faith or earnest money deposit accompanying an offer to buy or lease property, if during the five business day period next following the date of the licensee's receipt of those funds the offer is withdrawn prior to acceptance by the offeree or is rejected with no counteroffer made by the offeree, the licensee need not deposit those funds into an escrow or trust account but may, upon the request of the offerer, return them in the same form in which they were received to the offerer. In all other cases, the licensee must deposit such monies within five business days of receipt. Examples of such cases include transactions where negotiations are ongoing, or if a contract or lease is being reviewed by an attorney, or if subsequently to the rejection of an offer the offerer has requested the licensee to retain the monies in the event that the offerer determines to submit another offer on the same or a different property.

(f) The maintenance of clearly nominal amounts of the licensee's funds in trust accounts solely to provide continuity in such account or to meet bank service charges shall not be construed to be commingling.

(g) Where any law or governmental regulation compels maintenance of a fixed amount of the funds of a licensee in a trust account for the purpose of providing a safety factor, the maintenance of such fixed amount shall not be construed to be commingling.

(h) Every person licensed as a broker of record or as a sole proprietor broker shall be a signatory on the escrow or trust account(s) of their brokerage firm. Only individuals who are actively licensed by the Commission as a real estate broker-sales-

person or salesperson may be additional signatories on escrow or trust accounts.

(i) Brokers may accept payments to be held in trust or in escrow, or as the temporary custodian of the funds of others in any real estate transaction, in the following forms: cash, a negotiable instrument payable to the broker's firm; a charge against a check debit card resulting in a credit to the broker's trust or escrow account; or a wire transfer of funds directly from an account of the payor to the trust or escrow account of the broker. As provided in this subsection, brokers may also accept deposit and rent payments to be held by them in trust or in escrow or as a temporary custodian in the form of charges made upon the credit cards of tenants in short term rental transactions.

1. All payments to be held by a broker in trust or in escrow, or as the temporary custodian of monies in a real estate transaction, made in the form of cash, negotiable instruments, wire transfers or by charges made upon credit cards or check debit cards shall be recorded in the broker's trust or escrow account ledger and as otherwise required by N.J.A.C. 11:5-5.4.

2. Brokers shall not accept payments made through credit card charges in any real estate transaction other than a short term rental. For the purposes of this subsection, a "short term rental" is a rental of a residential property for not more than 125 consecutive days with a specific termination date.

3. Brokers who accept payments in the form of credit card charges in short term rentals shall cause those payments to be credited to a special trust or escrow account, distinct from the escrow or trust account(s) maintained by the broker for other purposes. Brokers who accept such payments shall also maintain a business account, separate and apart from all trust or escrow accounts including the account to which the credit card charges shall be credited. The said business account may be the same business account maintained by the broker for general purposes.

4. Before accepting any payment in the form of a credit card charge on a short term rental, a broker shall inform the owner in writing of the potential for such payments to be "charged-back" by the tenant and obtain written authorization signed by the owner for the broker to accept such payments.

i. For the purposes of this subsection, "charged-back" means the recrediting of a previously charged payment to the account of a cardholder through the electronic debiting of an account of the broker.

ii. Where an owner's written authorization is secured by the listing broker, it shall be made a part of or an addendum to a listing agreement.

iii. In all cases, the owner's written authorization shall be retained by the broker to whom it was given as a business record in accordance with N.J.A.C. 11:5-5.4.

5. In the event that a dispute concerning a charged-back payment arises between a broker and a consumer, under no circumstances may the broker apply or set-off against the disputed amount any monies paid to the broker on another transaction in which the same consumer is a party.

6. Brokers who accept credit card charges in payment of deposits or rent on short term rentals shall formulate a written statement of their policy on credit card payment cancellations. All such cancellation policies shall include:

i. An indication of the time period during which the cardholder may cancel the charged payment made to the broker, and

ii. A statement that, in the event a cancellation request is not received by the broker within the specified cancellation time period, the request will not be honored and the disposition of the monies credited to the broker will be governed by the terms of the lease or rental agreement between the landlord and the cardholder.

7. In no event shall the cancellation period terminate prior to the delivery to the cardholder of a fully executed written lease containing the final terms of the rental agreement, or the full acceptance by the parties of the final terms of a verbal rental agreement.

8. Brokers shall provide copies of the written cancellation policy in the following manner:

i. To property owners upon the earlier of the broker obtaining a listing on the rental property or presenting an offer to rent the property; and

ii. To prospective tenants at the time of first accepting a payment in the form of a credit card charge. In the event that the same tenant makes subsequent payments on the same rental transaction through charges against a credit card, the broker accepting such payments shall not be required to provide additional copies of the written cancellation policy.

9. Except as otherwise provided in (j) below, brokers who accept payments in the form of credit card charges shall comply with all restrictions and requirements imposed by N.J.S.A. 45:15-17(o) and this section with regard to the deposit and maintenance of such funds.

(j) In all cases, the amount credited to a broker's special escrow or trust account as a result of a charged payment on a short term rental transaction shall be the full amount of the payment made by the tenant to the broker. All transaction fees payable

by the broker to the company which issued the credit card shall not be paid before the full amount of the charged payment is credited to the broker's special escrow or trust account. Brokers who accept payments through charges on credit cards shall also comply with one of the procedures specified in (j)1 and 2 below.

1. A business account of the broker shall be designated in the contract between the broker and any company whose credit card charges the broker shall accept as the sole source of funds for the payment by the broker of all credit card transaction fees due to the company, and the sole source of funds for all charge-backs which may be assessed against the broker by the company, or

2. The broker shall maintain a reserve amount of the broker's funds in the special escrow or trust account to which charged payments will be credited. The said reserve shall be sufficient to cover all transaction fees incurred by the broker on charged transactions and all estimated charge-backs of payments by cardholders. The maintenance of such reserve funds in the said special escrow or trust account shall not be construed as commingling. In all cases where brokers utilize this procedure:

i. Transaction fees debited from the said reserve amount shall be replenished by the broker on at least a monthly basis;

ii. In the event that a broker is notified that a charge-back has occurred after some or all of the funds received through the charged-back payment have been disbursed, the broker shall, within one business day of receipt of such notice, replenish the reserve funds in the special escrow or trust account in an amount equal to the amount debited from the reserve through the charge-back; and

iii. Brokers may replenish or increase the said reserve amount as often as necessary. Brokers may only reduce the said reserve amount on an annual basis. All credits to and debits from the special escrow or trust account made by the broker to replenish, increase or decrease the reserve amount shall be duly noted in the business records of the broker and maintained as such as required by N.J.A.C. 11:5-5.4.

(a) Every broker shall keep records as prescribed herein of all funds of others received by him or her for not less than six years from the date of receipt of any such funds. All such funds shall be deposited by the broker in accordance with the requirements of N.J.A.C. 11:5-5.1.

1. Whenever a broker receives funds to be held in trust in cash, a written receipt signed by the licensee to whom the funds were paid and specifying the date, amount, purpose and from whom those funds were received shall be issued to the payor of the funds. A copy of that receipt shall be retained by the broker as prescribed in this section.

(b) The records required to be kept pursuant to (a) above shall include:

1. Written references on the checkbook stubs or checkbook ledger pages to all deposits into and withdrawals from the account(s) maintained by the broker in accordance with N.J.A.C. 11:5-5.1, which shall specifically identify the date, amount and payor of each item deposited, the property to which the monies pertain and the reason for their being held by the broker. Such records shall also specify the date, amount, payee and purpose of each disbursement. All trust or escrow account withdrawals shall be only by authorized intrastate or interstate bank transfer or by check payable to a named payee and not to cash,

2. In appropriate ledger book for all trustee accounts or escrow accounts showing, in one location in that ledger book for each separate trust transaction, the payor of all funds deposited in such accounts, the date of deposit, the names of all persons for whom the funds are or were held, the amount of such funds, the amounts and dates of all disbursements of such moneys, and the names of all persons to whom such funds were disbursed. The Commission will not deem a regular checkbook ledger as sufficient to constitute an appropriate ledger book. Such a ledger book may be maintained in a computer or similar device, so long as it is capable of reproducing the electronically stored data on paper so as to depict the complete history of all activity in each separate trust transaction, and the data can be maintained in an easily accessible form for the required six year period. A regular running balance of the individual transaction ledger sheets shall be maintained. The total of the running balance must agree with the control figure computed by taking the beginning balance, adding the total of moneys received in trust on that transaction, and deducting the total of all moneys disbursed;

i. Brokers who accept credit card charges on short term rental transactions and who maintain a reserve in their special trust or escrow account to which funds received through such charges are credited as provided in N.J.A.C. 11:5-5.1(j) shall record in one location in their ledger book, entries specifying deposits

made to establish, replenish, and increase the reserve amount and all withdrawals made to reduce the reserve amount. Brokers who maintain reserves in such special escrow or trust accounts shall not be required to make an entry in their ledger for each transaction fee debited from the said account as a result of their acceptance of a payment through a charge on a credit card.

3. Copies of all records, showing that at least quarterly a reconciliation has been made of the checkbook balance, the bank statement balance and the client trust ledger sheet balances;

4. All bank statements, cancelled checks, duplicate deposit slips and, if the broker accepts credit card charges on short term rental transactions as provided in N.J.A.C. 11:5-5.1, all confirmation slips or other written material reflecting the broker's acceptance of such payments;

5. Copies of all offers, contracts of sale and sale or rental listing agreements;

6. Copies of all leases and property management agreements;

7. Copies of all statements to owners, sellers, purchasers and tenants showing the disbursement of funds to them or on their behalf, which statements shall identify the property and unit, if applicable, for which the disbursement was made and the reason for the disbursement;

8. Copies of all bills paid for owners, sellers, purchasers or tenants by the broker from escrowed funds, which payments may only be made pursuant to written authorization;

9. Copies of all records showing payments to persons licensed with the paying broker and to cooperating brokers, which records shall contain all information required by N.J.A.C. 11:5-5.1(d), and

10. Copies of all receipts issued for all security deposits accepted from tenants, and of checks for and letters accompanying the release of such funds, and/or the duplicate deposit slips evidencing the deposit of such funds by the broker.

(c) With the exception of the materials described in (d) below, on transactions where a broker has not received the property or funds of others, the following records shall be maintained for six years from the earlier of the date of the listing or property management agreement or of the contract or lease:

1. Copies of all fully executed leases, contracts of sale, property management and listing agreements;

2. Copies of bills for brokerage services rendered in such transactions;

3. Copies of all records showing payments to persons licensed with the paying broker and to co-operating brokers; and

4. Copies of all bank statements, cancelled checks and duplicate deposit slips pertaining to the broker's general business account.

(d) Unaccepted offers and expired listing agreements during the term of which no contract of sale was executed or no tenancy was entered into shall be maintained for six months from the date of the offer or the expiration date of the listing agreement.

(e) The financial books and other records as described in (a), (b), (c) and (d) above shall be maintained in accordance with generally accepted accounting practice. They shall be located at the main New Jersey office of each broker or, in situations where separate general business and/or trust or escrow accounts are maintained at licensed branch offices, either at that branch office or at the main office of the broker. Copies of all items designated as records in (a) through (d) above shall be maintained by brokers as provided in this section. Items may be maintained either on paper or stored electronically in a computer or similar device, so long as the electronically stored data can be readily reproduced on paper so as to depict the complete history of all activity and the data can be maintained in an easily accessible form for the required six-year period. This requirement shall apply to all such records, including any items generated through e-mail or any other means which does not require the creation of a paper document. All such records shall be available for inspections, checks for compliance with this section and copying by a duly authorized representative of the New Jersey Real Estate Commission. Licensees may be required to certify to the accuracy of the reproduced data.

SUBCHAPTER 6. CONDUCT OF BUSINESS

11:5-6.1 Advertising rules

(a) Unless otherwise set forth herein, subsections (b) through (o) below shall apply to all categories of advertising including all publications, radio or television broadcasts, all electronic media including E-mail and the Internet, business stationery, busi-

ness cards, business and legal forms and documents, and signs and billboards.

1. Individuals operating as sole proprietors and licensed as employing brokers shall conspicuously display on the exterior of their maintained place of business their name and the words "Licensed Real Estate Broker".

2. Firms licensed as corporate or partnership brokers shall conspicuously display on the exterior of their maintained place of business their regular business name and the name of the individual licensed as their broker of record and the words "Licensed Real Estate Broker".

(b) All advertising of any licensed individual, partnership, firm, or corporate broker shall include their regular business name which for the purposes of these rules, shall mean the name in which that individual, partnership, firm or corporation is on record with the Commission as doing business as a real estate broker. All advertising by a referral agent, a salesperson or a broker-salesperson shall include the name in which they are licensed and the regular business name of the individual, partnership, firm or corporate broker through whom they are licensed. If such advertisements contain a reference to the licensed status of the person placing the ad, their status as a referral agent, a salesperson or a broker-salesperson must be indicated through inclusion of a descriptive term as provided in (e) below. A referral agent or salesperson may not indicate in any advertisement or otherwise that he or she is licensed as a broker-salesperson.

1. In all advertisements which contain the name of a referral agent, a salesperson or a broker-salesperson, the regular business name of the individual, partnership, firm or corporate broker through whom that person is licensed shall appear in larger print or be displayed in a more prominent manner than the name of the referral agent, salesperson or broker-salesperson.

2. Where a webpage on the worldwide web established by a referral agent, a salesperson, a broker-salesperson, or a team of such licensees is not linked electronically to the webpage of the broker through whom the person or team is licensed, the webpage shall display the telephone number and may display the street address of the licensed brokerage office from which the individual or team operates as real estate licensees. That information shall appear in wording as large as the predominant size wording on the webpage.

3. Where a webpage of an individual or team is linked electronically to the webpage of the broker through whom such person or persons are licensed, the webpage of the nonbroker licensee(s) shall display information which clearly indicates how to link to the broker. That information shall appear in wording as large as the predominant size wording on the webpage.

(c) All advertising, with the exception of lawn signs placed on residential properties containing four or fewer units, shall clearly indicate after the licensee's regular business name that the advertising licensee is engaged in the real estate brokerage business. Except as prescribed by N.J.S.A. 45:15-17(j), examples of permissible language shall include, but are not limited to, "Realtor," "Realtist," "real estate broker," "broker," or "real estate agency". Examples of prohibited language when used alone shall include, but are not limited to, "realty," "real estate," "land sales," and "land investments." This provision shall not apply when the word "agency" appears in the advertisement as part of the licensee's regular business name or when the licensee has legal or equitable ownership of the property.

(d) Any advertising which contains a home telephone number, cell-phone number, beeper or pager number, home fax number, or e-mail address of an individual referral agent, salesperson or broker-salesperson, or a team of such licensees, shall also include the telephone number and may include the street address of the licensed brokerage office from which the advertising licensee(s) operate. All such advertising shall also contain language identifying each number included in the advertising. For example, a home telephone number may be followed or preceded by the word "home" or the abbreviation "res."

1. No advertising shall represent that a location is a place at which the business of a real estate licensee is conducted unless that location is the licensed main office or a licensed branch office of the broker through whom the advertising licensee is licensed. Referral agents, salespersons and broker-salespersons shall not include in their advertisements any reference to a "home office."

(e) The business card of any licensed referral agent shall indicate that this licensee is a referral agent by the use of the words referral agent or referral associate. The business card of any licensed salesperson shall indicate that this licensee is a salesperson by the use of the words salesperson or sales representative, or sales associate, or where permitted by law, realtor-associate or realtist associate. The business card of any licensed broker-salesperson shall indicate that this licensee is a broker-salesperson by the use of the words broker-associate, associate broker, realtor-associate or broker-salespersons. The business card of any licensed broker shall indicate that this licensee is a broker by use of the word broker or, where permitted by law, Realtor or Realtist.

(f) Any advertising which refers to amounts of down payment, monthly payment, or carrying charges, or which indicates that a mortgage is obtainable (where the mortgage referred to is not already a lien against the premises advertised), shall contain the words "to a qualified buyer".

(g) Any advertisement which sets forth amounts of down payment, monthly payment, carrying charges, taxes or mortgage money obtainable shall contain appropriate qualifying words such as "approximate" or "estimated," which qualifying words shall be clearly associated with the amounts set forth. If such amounts are mentioned the broker shall maintain written proof of the validity of these statements in the broker's files. Such written proof shall be maintained for a period of 12 months from the date upon which an advertisement containing such references shall have last appeared in any publication.

(h) With the exception of magazine or newspaper advertisements published under municipality headings, any advertisement for the sale, exchange or rental of real property, or any interest therein, shall designate the geographical area containing that property by specifying the municipality within which that property is located.

(i) No licensed individual, limited or general partnership, firm or corporation shall advertise or use any form of application or make any inquiry which expresses directly or indirectly any limitation, specification or discrimination as to race, religion, creed, color, sex, affectional or sexual orientation, marital status, national origin, ancestry or as to whether a person has a disability as that term is defined in N.J.A.C. 11:5-6.4(k).

(j) Any use of an insignia, emblem, logo, trade name or other form of identification in any advertising or other public utterance, either by a single licensee or any group of licensees, which suggests or otherwise implies common ownership or common management among such licensees, shall be prohibited except in the case of branch offices controlled by a single broker or licensee and duly licensed as branch offices pursuant to the provision of N.J.S.A. 45:1-1 et seq. Nothing herein provided is intended to preclude or inhibit the use, advertising or display of any insignia, emblem, logo or trade name of any bona fide trade association by any licensee provided that such licensee is a member of such trade association.

1. Any franchised licensee using in any advertising the trade name of a franchisor shall include in such advertising in a manner reasonably calculated to attract the attention of the public the franchised licensee's regular business name.

2. Any licensee including the franchisor using the trade name of franchisor in any advertising shall also include in a manner reasonably calculated to attract the attention of the public the following legend or a substantially similar legend: "each office is independently owned and operated", except in the following categories of advertising:

i. "For sale" signs located on the premises of specific properties for sale;

ii. Small "spot" classified advertising by a licensee in newspapers, magazines or other publications advertising properties. A small spot classified advertisement is defined as an advertisement which is no more than one column wide and 20 lines long and which describes no more than two properties; a line is defined as a standard newspaper classified advertising line of the newspaper, magazine or other publication in which the advertisement is published,

iii. Business cards; and

iv. Advertising placed or distributed by offices which are wholly owned by the franchisor, which contains the office address and contains language which identifies the office as being wholly owned or the franchisor.

3. The intent of this subsection is to further promote the general purpose of the Real Estate License Act of ensuring that all individuals, firms or corporations are clearly identifiable to the public as the licensed brokers who are financially and otherwise responsible to the consuming public for their real estate brokerage activities. It is not the intent of this subsection to limit or otherwise inhibit the operation of branch offices as set forth in N.J.S.A. 45:15-12 and sections 18 and 19 of this subchapter, nor is it the intent of this subsection to prevent the franchising of any group of licensees provided such franchising or other association is not inconsistent with the purpose of the Real Estate License Act as expressed herein.

(k) Any advertising by any licensed individual, partnership, firm or corporation referring generally to membership in any real estate multiple listing service operation shall specify the complete name of the listing service in which membership is held, except in the following categories of advertising:

1. "For sale" signs and small "spot" classified advertising of any licensee as described in (j) above;

2. Business cards;

3. All business signs.

(l) Any home warranty offer contained in any advertisement shall comply with all Federal and State warranty legislation, including the New Home Warranty and Builder's Registration Act, P.L. 1977, c.467, N.J.S.A. 46:3B-1 et seq., and the Magnuson-Moss Warranty Act, P.L. 93-637, 15 U.S.C. §§ 2301 et seq. Such advertising shall specify clearly whether the warranty is by inspection or non-inspection of the premises, whether the warranty is mandatory, and who is responsible for payment for the warranty. No advertisement shall contain an offer for a warranty unless a warranty may be secured for the property being advertised.

(m) Except as herein provided, licensees may include offers of free, discounted or other services or products in advertisements or promotional material. No offering of free, discounted or other services or products, including the offering of a free appraisal, shall be made by a real estate licensee in any advertisement or promotional material or otherwise where the promotion or offering involves a lottery, a contest, a game or a drawing, or the offering of a lot or parcel or lots or parcels, or where the consumer is required to enter into a sale, listing or other real estate contract as a condition of the promotion or offer.

1. Nothing herein shall be construed as prohibiting the use of such words as "included" or "included in the purchase price" in reference to items included by the owner in the sale of any real property or interest therein.

2. The prohibition upon licensees making offerings of free, discounted or other services or products as set forth in (m) above applies to all such offerings which confer a monetary benefit upon consumers. Examples of free or discounted products or services which would be prohibited if offered in a manner proscribed by (m) above include free or subsidized homeowners warranties, property, radon and pest inspections, surveys, mortgage fees, offers to pay other costs typically incurred by parties to real estate transactions, and coupons offering discounts on commissions charged by brokerage firms.

3. "Appraisal" as used herein is given its technical meaning as a study and analysis by an appraiser authorized by law to perform appraisals of New Jersey real estate to ascertain fair market value by using a process in which all factors that would fix price in the market place must be considered. A comparative market analysis or study is not an appraisal as herein defined. Any written comparative market study or analysis (CMA) provided by a licensee to a consumer shall include a statement indicating that the CMA is not an appraisal and should not be considered the equivalent of an appraisal. The said statement shall appear in print as large as the predominant size print in any writing reporting the results of the CMA.

4. Subject to (m) above, whenever a licensee participates in a promotion or offering of free, discounted, or other services or products which confers upon the recipient a monetary benefit of greater than token value, which for the purposes of this rule shall mean a value of more than \$ 5.00 retail, the licensee shall provide written disclosure to the recipient of the promotional material or offering. The disclosure shall state in a clear and conspicuous manner:

i. That a consumer is not required to enter into any sale, listing or other real estate contract as a condition of their receipt and use of the free, discounted or other services or products included in the promotion or offer;

ii. Whether the consumer is required to perform any action to qualify to receive the free, discounted or other services or products offered and, if so, what specific action(s) the consumer must perform in order to do so. For the purposes of this paragraph, a consumer's attendance at any listing presentation, informational session or other meeting is considered to be an action by the consumer; and

iii. In the event that delivery of the offered services or products does not occur at the time that the disclosure is provided to the consumer, the date by which the services or products will be delivered to the consumer if the offer is accepted. If the delivery date is unknown to the licensee at the time the offer or promotion is extended to the consumer, the written disclosure to be provided by the licensee to the consumer shall so state.

5. In the event that a licensee has received, or will receive, compensation for participating in a promotion or offering of free, discounted, or other services or products, the disclosure required under (m)4 above shall also state the compensation the licensee has received or will receive. Should the Real Estate Settlement Procedures Act of 1974, 12 U.S.C. §§ 2601 et seq., be applicable to the arrangement between the broker and the person paying the compensation to the broker, the disclosure shall be in the form and substance required by that Act.

6. The written disclosure referenced in (m)4 and 5 above shall be provided to consumers no later than when the promotion or offer is extended by the licensee to the consumer.

i. For the purposes of this subsection, an offer or promotion is extended to a consumer when the free or discounted product or service is delivered to the consumer, or when written confirmation of the consumer's right to receive the free or discounted product or service at some future time is delivered to the consumer.

7. No licensee may utilize a marketing or promotional program which requires, as a condition of the consumer's receipt of a free or discounted product or service, the taking of any action by the consumer prior to the delivery of the disclosure(s) referenced in (m)4 and 5 above other than an action necessary to accomplish the delivery of the disclosure to the consumer.

(n) No licensee shall publish or cause to be published any advertisement or place any sign which makes reference to the availability of a specific property which is exclusively listed for sale by another broker unless the licensee obtains the prior written consent of the broker with whom the property is exclusively listed. Such consent shall not be given or withheld by the listing broker without the knowledge of the owner.

1. With regard to information on listings disseminated through the Internet by licensees other than the listing broker,

listing brokers shall be deemed to have given the consent referred to in (n) above with the knowledge of the owner where:

i. A written listing agreement contains the seller's authorization for information on the listing to be posted on the website of the broker, or of a multiple listing service to which the broker belongs, or of another party to which the broker or such an MLS submits information on listings; and

ii. The website on which the listing information shall initially appear has instituted no measures to prevent other parties with websites from utilizing an electronic link to enable consumers to view that information while remaining in the website of the other party.

(o) No licensee shall indicate in any advertisement that a property has been sold, or that they participated in the sale of a property, until a closing has occurred at which title to the property was transferred from the seller to the buyer.

1. For the purposes of this subsection, the term "advertisement" shall include communications to other licensees through notices submitted to a multiple listing service or otherwise.

2. In the time period after a contract prepared by a licensee emerges from Attorney Review or a contract not subject to Attorney Review is fully executed and delivered to all parties, but before a closing occurs at which title is transferred, unless such a contract is canceled and the seller authorizes the listing broker to renew efforts to market the property, any advertisement of the property which is the subject of the contract shall include the term "under contract."

(p) Advertisements by licensees may, but are not required to, include a statement indicating that the advertiser is licensed by the New Jersey Real Estate Commission. Any advertisement by a licensee that includes a reference to licensure by the New Jersey Real Estate Commission shall immediately thereafter also include the following statement: "Licensure does not imply endorsement," which statement shall be included in the advertisement in a clear and conspicuous manner.

1. The foregoing shall not apply to the displays which, pursuant to N.J.S.A. 45:15-12, are required to conspicuously appear on the exterior of every place of business maintained by New Jersey real estate brokers and to include the name of the broker and, in the case of business entities licensed as brokers, the name of the individual licensed as its authorized broker, and the words "Licensed Real Estate Broker."

(q) Any advertisement which includes any reference to a commission rate or compensation amount charged by the advertising licensee's brokerage firm or by one or more other brokerage firms shall also include the following statement: "In New

Jersey commissions are negotiable." The said statement shall be included in the advertisement in a clear and conspicuous manner.

(r) No advertisement shall contain false, misleading or deceptive claims or misrepresentations. In all advertisements which make express or implied claims that are likely to be misleading in the absence of certain qualifying information such qualifying information shall be disclosed in the advertisement in a clear and conspicuous manner.

(s) No person licensed as a referral agent shall include in any advertisement any content stating or implying that he or she is authorized to engage in real estate brokerage activity beyond that which he or she is permitted under N.J.S.A. 45:15-3 or N.J.A.C. 11:5-6.10.

(t) On all advertisements, except business cards, referral agents shall include the following statement in a clear and conspicuous manner: Services limited to referring prospects to broker.

New Jersey Land Sales Full Disclosure Act discriminated in its plain effect against interstate commerce and violated dormant commerce clause. *Old Coach Development Corp., Inc. v. Tamznan*, C.A.3 (N.J.)1989, 881 F.2d 1227.

In a seller's suit against a real estate agent, an attorney, the purchasers, and others (the defendants), the trial court correctly dismissed, via summary judgment, the seller's claims alleging a violation of the Consumer Fraud Act (CFA), N.J.S.A. 56:8-1 to 56:8-20, with regard to certain defendants submitting a deposit paid form and indicating that the transaction was under contract when the seller nor her agent or attorney had received any such deposit as the seller failed to show that the defendants made an affirmative misrepresentation of a material fact or knowingly failed to disclose a material fact with the intent that the seller rely thereon. Further the trial court properly found that the alleged violation of N.J.A.C. 11:5-6.1(o)(2) did not provide a basis for a claim under the CFA since the regulation was not adopted by the Attorney General pursuant to the CFA, rather, it was adopted by the Real Estate Commission pursuant to its rule-making powers. *Stoecker v. 11:5-6.2 Contracts of sale, leases and listing agreements

(a) The following paragraphs specify licensees' obligations to obtain written confirmation of the intentions of, and to deliver copies of documents to, parties to a real estate transaction.

1. Where a licensee memorializes the terms of an offer or counter-offer on a writing which will itself become an "instrument" as defined in (a)3 below, the licensee shall deliver to the maker of such an offer or counter-offer a clear copy of the executed offer or counter-offer immediately upon its being signed, and initialed if necessary as provided in this section, by the maker of the offer or counter-offer. Any addition, deletion, or other change in any such offer or counter-offer shall be initialed by the party proposing such a revision and, if accepted, by the other party to the transaction.

2. Where a licensee records the terms of an offer or counter-offer on a writing which is not intended to be binding upon either party, and which so states on its face, in the event that the licensee secures the signature and/or initials of any party on such a writing, the licensee shall provide to the signing and/or initialing party a clear copy of the writing as signed and/or initialed by them.

3. As used in this subsection, the term "instrument" means any complete and fully executed written contract of sale, lease, option agreement, or other writing affecting an interest in real estate, or any complete and fully executed addendum or amendment to any such contract, lease, option agreement or writing. The term instrument as used in this subsection does not include listing agreements and buyer brokerage agreements.

4. Licensees shall immediately deliver to all parties to any fully executed instrument a clear copy with original signatures of any such fully executed instrument. Licensees shall provide their clients with a fully executed copy of any sale or exclusive sale or rental listing contract at the time of execution thereof.

5. Licensee-prepared revisions or additions reflected on the instrument itself shall be initialed by all parties to the transaction. Licensee-prepared revisions or additions to an instrument not memorialized by changes on the instrument itself shall be reflected on amendments or addenda to the instrument signed by all parties to the transaction.

i. Licensees shall immediately deliver to the party proposing a revision or addition to an instrument a clear copy of any proposed revised instrument initialed by that party and a clear copy of any proposed amendment or addendum signed by that party.

ii. All revisions, amendments and addenda to any fully executed instrument which are prepared by licensees must comply with New Jersey law as it pertains to the attorney review of contract and lease documents prepared by real estate licensees.

6. This rule is to ensure prompt communication of the executed evidence of a transaction to all interested parties.

(b) No listing agreement or contract for the sale of real property, or any interest therein, shall contain a prescribed or predetermined fee, commission rate, or commission amount, nor shall any such writing contain a commission clause or provision which suggests (such as with a small blank space and percent sign) to a seller that the commission is a prescribed rate or amount.

(c) The commission clause or provision in all listing agreements for the sale of one to four family dwelling units or interest therein, or in all contracts for such sale, if there is no listing agreement, shall contain in print larger than the predominant size print in the writing, the language: "As seller you have the right to individually reach an agreement on any fee, commission, or other valuable consideration with any broker. No fee, commission or other consideration has been fixed by any governmental authority or by any trade association or multiple listing service." Nothing herein is intended to prohibit an individual broker from independently establishing a policy regarding the amount of fee, commission or other value consideration to be charged in transaction by the broker.

(d) Upon request, the listing broker shall advise the seller of the rate or amount of any commission split or distribution.

(e) All listing agreements of any licensed individual, partnership, firm or corporation which provide for the listing of property with any real estate multiple listing service operation shall specify the complete name of that listing service.

(f) No licensed individual, partnership, firm or corporation shall enter into a "net listing" contract for the sale of real property, or any interest therein. A "net listing" is defined as an agency agreement in which a prospective seller lists real estate for sale

with an authorization to a broker to sell at a specified net dollar return to the seller, and which provides that the broker may retain as commission the difference between the specified dollar return to the seller and the actual sales price.

(g) Licensees shall comply with the following provisions:

1. All contracts prepared by licensees for the sale of residential real estate containing one to four dwelling units and for the sale of vacant one-family lots in transactions in which the licensee has a commission or fee interest shall contain, at the top of the first page and in print larger than the predominant size print in the writing, the following language:

THIS IS A LEGALLY BINDING CONTRACT THAT WILL BECOME FINAL WITHIN THREE BUSINESS DAYS. DURING THIS PERIOD YOU MAY CHOOSE TO CONSULT AN ATTORNEY WHO CAN REVIEW AND CANCEL THE CONTRACT. SEE SECTION ON ATTORNEY REVIEW FOR DETAILS.

2. The contract shall also contain the following language within the text of every such contract.

ATTORNEY REVIEW:

1. Study by Attorney

The Buyer or the Seller may choose to have an attorney study this contract. If an attorney is consulted, the attorney must complete his or her review of the contract within a three-day period. This contract will be legally binding at the end of this three-day period unless an attorney for the Buyer or Seller reviews and disapproves of the contract.

2. Counting the Time

You count the three days from the date of delivery of the signed contract to the Buyer and the Seller. You do not count Saturdays, Sundays or legal holidays. The Buyer and the Seller may agree in writing to extend the three-day period for attorney review.

3. Notice of Disapproval

If an attorney for the Buyer or the Seller reviews and disapproves of this contract, the attorney must notify the Broker(s) and the other party named in this contract within the three-day period. Otherwise this contract will be legally binding as written. The attorney must send the notice of disapproval to the Broker(s) by certified mail, by telegram, or by delivering it personally. The telegram or certified letter will be effective upon sending. The personal delivery will be effective upon delivery to the Broker's office. The attorney may but need not also in-

form the Broker(s) of any suggested revisions in the contract that would make it satisfactory.

3. The contract shall also contain the names and full addresses of all persons to whom a Notice of Disapproval must be sent in order to be effective as provided in item three of the Attorney Review Provision.

4. All leases prepared by licensees for a term of one year or more for residential dwelling units in transactions in which they have a commission or fee interest shall, at the top of the first page and in print larger than the predominant size print of the writing, contain the following language:

THIS IS A LEGALLY BINDING LEASE THAT WILL BECOME FINAL WITHIN THREE BUSINESS DAYS. DURING THIS PERIOD YOU MAY CHOOSE TO CONSULT AN ATTORNEY WHO CAN REVIEW AND CANCEL THE LEASE. SEE SECTION ON ATTORNEY REVIEW FOR DETAILS.

5. The lease shall also contain the following language within the text of every such lease.

ATTORNEY REVIEW:

1. Study by Attorney

The Tenant or the Landlord may choose to have an attorney study this lease. If an attorney is consulted, the attorney must complete his or her review of the lease within a three-day period. This lease will be legally binding at the end of this three-day period unless an attorney for the Tenant or the Landlord reviews and disapproves of the lease.

2. Counting the Time

You count the three days from the date of delivery of the signed lease to the Tenant and the Landlord. You do not count Saturdays, Sundays or legal holidays. The Tenant and the Landlord may agree in writing to extend the three-day period for attorney review.

3. Notice of Disapproval

If an attorney for the Tenant or the Landlord reviews and disapproves of this lease, the attorney must notify the Broker(s) and the other party named in the lease within the three-day period. Otherwise this lease will be legally binding as written. The attorney must send the notice of disapproval to the Broker(s) by certified mail, by telegram, or by delivering it personally. The telegram or certified letter will be effective upon sending. The personal delivery will be effective upon delivery to the Broker's office. The attorney may but need not also inform the Broker(s)

of any suggested revisions in the lease that would make it satisfactory.

6 The lease shall also contain the names and full addresses of all persons to whom a Notice of Disapproval must be sent in order to be effective, as provided in item three of the Attorney Review Provision.

7. The failure of any licensee to include such language in any such contract of sale or lease agreement prepared by the licensee shall be construed by the Commission as engaging in the unauthorized practice of law and shall be considered by the Commission as conduct which demonstrates the licensee's unworthiness and incompetency, thereby subjecting the licensee to sanctions pursuant to N.J.S.A. 45:15-17(e).

Case Notes

For purposes of the rule-mandated three-workday escape period, within which the attorney for each party to a real estate sales contract prepared by a real

estate agent or broker may disapprove of the contract, the onus is on the agent or broker to deliver any fully executed contract to the parties. *Peterson v. Estate of Pursell*, 771 A.2d 666 (2001).

In all real estate sales contracts prepared by real estate agents and brokers, a clause must provide that the three-day review period begins to run from the date of delivery of the signed contract to the buyer and the seller, that Saturdays, Sundays, and legal holidays are to be excluded in counting the three-day period, and that the contract will be legally binding at the end of the three-day review period unless an attorney for the buyer or seller disapproves of the agreement. *Peterson v. Estate of Pursell*, 771 A.2d 666 (2001).

In calculating the rule-mandated three-workday escape period, within which the attorney for each party to a real estate sales contract prepared by a real estate agent or broker may disapprove of the contract, the date of delivery to the parties is not counted. *Peterson v. Estate of Pursell*, 771 A.2d 666 (2001).

Listing real estate brokerage was not vendor's fiduciary for purposes of the attorney review period, rule-mandated three-workday escape period within which vendor's attorney could disapprove of real estate sales contract prepared by an agent of the brokerage, and thus, attorney review period began to run when the fully executed contract was delivered to vendor herself, not when prospective purchaser delivered it to the brokerage's agent. *Peterson v. Estate of Pursell*, 771 A.2d 666 (2001).

Prospective purchaser had no right to enforce real estate sales contract during the rule-mandated three-workday escape period, within which vendor's attorney could disapprove the contract, and thus, purchaser could not recover on tortious interference claim against the listing real estate brokerage and an agent of the brokerage who negotiated a contract with another purchaser. *Peterson v. Estate of Pursell*, 771 A.2d 666 (2001).

The attorney review period, the rule-mandated three-workday escape time period within which the attorney for each party to a real estate sales contract prepared by a real estate agent or broker may disapprove of the contract, begins to run when a conforming contract is delivered to a party. *Peterson v. Estate of Pursell*, 771 A.2d 666 (2001).

Purchaser's attorney's letter to vendors stating that attorney did not approve of residential sales contract in its present form, but that he would approve it with specified modifications, was sufficient to terminate contract under its attorney review clause; thus, purchasers were thereafter free to show and sell property in question to third party. *Gaglia v. Kirchner*, 317 N.J.Super. 292, 721 A.2d 1028 (A.D. 1999).

Statute giving terminated agents full commission rights if they continued to service policies would prevail over strict terms of contract settlement between insurance company and terminated agents. *Matter of Terminated Aetna Agents*, 248 N.J.Super. 255, 590 A.2d 1189 (A.D. 1990), certification denied 126 N.J. 319, 598 A.2d 880.

Regulation requiring that all real estate contracts subject to attorney review contain an "agreement to honor," was void. *Carmagnola v. Hann*, 233 N.J.Super. 547, 559 A.2d 478 (A.D. 1989).

11:5-6.3 Broker insurance placement provision

Where a contract provided by a real estate broker contains a provision to the effect that such broker, in his capacity as a licensed insurance agent or broker, is authorized to place or procure insurance on the property being sold, the licensee benefiting by such a provision shall obtain separate written reaffirmation of such provision by the prospective insured not less than five days prior to the closing of title.

11:5-6.4 Obligations of licensees to public and to each other

(a) All licensees are subject to and shall strictly comply with the laws of agency and the principles governing fiduciary relationships. In accepting employment as an agent, the licensee pledges himself to protect and promote, as he would his own, the interests of the client or principal he has undertaken to represent;

this obligation of absolute fidelity to the client's or principal's interest is primary but does not relieve the licensee from the obligation of dealing fairly with all parties to the transaction.

(b) Every licensee shall make reasonable effort to ascertain all material information concerning the physical condition of every property for which he or she accepts an agency or which he or she is retained to market as a transaction broker, and concerning the financial qualifications of every person for whom he or she submits an offer to his or her client or principal. Information about social conditions and psychological impairments as defined in (d) below is not considered to be information which concerns the physical condition of a property.

1. A reasonable effort to ascertain material information shall include at least:

i. Inquiries to the seller or seller's agent about any physical conditions that may affect the property; and

ii. A visual inspection of the property to determine if there are any readily observable physical conditions affecting the property.

2. As used in this section, information is "material" if a reasonable person would attach importance to its existence or non-existence in deciding whether or how to proceed in the transaction, or if the licensee knows or has reason to know that the recipient of the information regards, or is likely to regard it as important in deciding whether or how to proceed, although a reasonable person would not so regard it.

(c) Licensees shall disclose all information material to the physical condition of any property which they know or which a reasonable effort to ascertain such information would have revealed to their client or principal and when appropriate to any other party to a transaction. Licensees shall also disclose any actual or potential conflicts of interest which the licensee may reasonably anticipate.

1. With respect to off-site conditions which may materially affect the value of the residential real estate, in all sales contracts involving newly constructed residential real estate they prepare, licensees shall include a statement as set forth below. By including this statement in a contract of sale prepared by the licensee, the licensee shall be deemed to have fulfilled his or her disclosure obligations under (c) above with respect to such off-site conditions. The statement shall be in print as large as the predominant size print in the document and shall read as follows:

"NOTIFICATION REGARDING OFF-SITE CONDITIONS

Pursuant to the New Residential Construction Off-Site Conditions Disclosure Act, P.L. 1995, c.253 (C.46:3C-1 et seq.), sellers of newly constructed residential real estate are required

to notify purchasers of the availability of lists disclosing the existence and location of off-site conditions which may affect the value of the residential real estate being sold. The lists are to be made available by the municipal clerk of the municipality within which the residential real estate is located and in other municipalities which are within one-half mile of the residential real estate. The address(es) and telephone number(s) of the municipalities relevant to this project and the appropriate municipal offices where the lists are made available are listed below. Purchasers are encouraged to exercise all due diligence in order to obtain any additional or more recent information that they believe may be relevant to their decision to purchase the residential real estate. Purchasers are also encouraged to undertake an independent examination of the general area within which the residential real estate is located in order to become familiar with any and all conditions which may affect the value of the residential real estate.

The purchaser has five (5) business days from the date the contract is executed by the purchaser and the seller to send notice of cancellation of the contract to the seller. The notice of cancellation shall be sent by certified mail. The cancellation will be effective upon the notice of cancellation being mailed. If the purchaser does not send a notice of cancellation to the seller in the time or manner described above, the purchaser will lose the right to cancel the contract as provided in this notice.

Municipality _____

Address _____

Telephone Number _____"

The statement shall either be included in the text of the contract itself or attached to the contract as an Addendum.

2. In all residential real estate sale contracts they prepare except contracts for newly constructed residential real estate, licensees shall include a statement as set forth below. The statement shall be in print as large as the predominant size print in the document and shall read as follows:

"NOTICE ON OFF-SITE CONDITIONS

Pursuant to the New Residential Construction Off-site Conditions Disclosure Act, P.L. 1995, c.253 the clerks of municipalities in New Jersey maintain lists of off-site conditions which may affect the value of residential properties in the vicinity of the off-site condition. Purchasers may examine the lists and are encouraged to independently investigate the area surrounding this property in order to become familiar with any off-site conditions which may affect the value of the property. In cases where a property is located near the border of a municipality,

purchasers may wish to also examine the list maintained by the neighboring municipality.”

The statement shall either be included in the text of the contract itself or attached to the contract as an Addendum.

i. Licensees who possess actual knowledge of an off-site condition which may materially affect the value of residential real estate other than newly constructed properties shall disclose that information to prospective purchasers of such residential real estate affected by the condition. That disclosure shall be made prior to the signing of the contract by a prospective purchaser.

ii. In cases where the licensee did not possess actual knowledge of the presence of an off-site condition which might materially affect the value of the residential real estate, by virtue of including the foregoing statement in a contract of sale prepared by him or her, the licensee shall be deemed to have fulfilled his or her disclosure obligations under (c) above with respect to such off-site conditions.

3. As used in this subsection, the following words and terms shall have the following meanings:

i. “Newly constructed” means any dwelling unit not previously occupied, excluding dwelling units constructed solely for lease and units governed by the National Manufactured Housing Construction and Safety Standards Act of 1974, 42 U.S.C. §§ 5402 et seq.

ii. “Off-site conditions” refers to the following conditions as set forth in the New Residential Construction Off-Site Conditions Disclosure Act, N.J.S.A. 46:3C-3 (P.L. 1995 c.253), or as amended:

(3) Overhead electric utility transmission lines conducting 240,000 volts or more;

(4) Electrical transformer substations;

(5) Underground gas transmission lines as defined in 49 C.F.R. 192.3;

(6) Sewer pump stations of a capacity equal to, or in excess of 0.5 million gallons per day and sewer trunk lines in excess of 15 inches in diameter;

(7) Sanitary landfill facilities as defined pursuant to section 3 of P.L. 1970, c.39 (N.J.S.A. 13:1E-3);

(8) Public wastewater treatment facilities, and

(9) Airport safety zones as defined pursuant to section 3 of P.L. 1983, c.260 (N.J.S.A. 6:1-82).

iii. “Residential real estate” means a property or structure or both which will serve as a residence for the purchaser.

(d) Information about social conditions or psychological impairments of a property is not considered information which affects the physical condition of a property. Subject to (d)3 below, licensees are not required by (c) above to disclose such information.

1. As used in this section, the term “social conditions” includes, but is not limited to, neighborhood conditions such as barking dogs, boisterous neighbors, and other conditions which do not impact upon or adversely affect the physical condition of the property.

2. As used in this section, the term “psychological impairments” includes, but is not limited to, a murder or suicide which occurred on a property, or a property purportedly being haunted

3. Except as provided below, upon receipt of an inquiry from a prospective purchaser or tenant about whether a particular property may be affected by a social condition or psychological impairment, licensees shall provide whatever information they know about the social conditions or psychological impairments that might affect the property.

i. In accordance with N.J.S.A. 10:5-1 et seq. (the “Law Against Discrimination”), licensees shall make no inquiry and provide no information on the racial composition of, or the presence of a group home in, a neighborhood. In response to requests for such information, licensees shall inform the persons making the inquiry that they may conduct their own investigation. This paragraph does not apply to the owner of a multiple dwelling or his agent to the extent that such inquiries are necessary for compliance with N.J.A.C. 13:10.

ii. In accordance with N.J.S.A. 2C:7-6 through 11 (“Megan’s Law”) and the guidelines promulgated thereunder, licensees shall make no inquiry about and provide no information on notifications from a county prosecutor issued pursuant to that law. In response to requests for such information, licensees shall inform the person making the inquiry that information about registered sex offenders is maintained by the county prosecutor.

(e) In all contracts and leases on residential real estate they prepare, licensees shall include the following statement in print as large as the predominant size print in the document:

MEGAN'S LAW STATEMENT—Under New Jersey law, the county prosecutor determines whether and how to provide notice of the presence of convicted sex offenders in an area.

In their professional capacity, real estate licensees are not entitled to notification by the county prosecutor under Megan's Law and are unable to obtain such information for you. Upon closing the county prosecutor may be contacted for such further information as may be disclosable to you.

(f) Unless directed not to do so in writing by an owner as provided herein, every licensee shall fully cooperate with all other New Jersey licensees utilizing cooperation arrangements which shall protect and promote the interests of the licensee's client or principal. Collusion and discrimination with respect to commission rates and splits are prohibited as provided in N.J.A.C. 11:5-7.5 and 7.6.

1. The obligation to fully cooperate with all other licensees includes the requirements that listing brokers:

i. Notify any Multiple Listing System to which a listing is to be submitted of having acquired the listing within 48 hours of the effective date of the listing;

ii. Transmit to their principal(s) all written offers on their listings submitted by licensees with other firms within 24 hours of receipt of the written offer by their firm; and

iii. Place no unreasonable restrictions upon the showing of properties listed with them to prospective purchasers who are working through cooperating brokers. A requirement that all appointments for showings must be made through the listing broker's office is not considered an unreasonable restriction upon showings.

2. All requirements imposed by the obligation to fully cooperate shall be complied with on all listings unless the client or principal, with full knowledge of all relevant facts, expressly relieves the listing broker from one or more of those requirements in writing. Such a writing shall be signed by the owner and made an attachment to the listing agreement. Such a writing shall be made available for inspection by other brokers upon request.

3. All written listing agreements prepared by licensees shall include a provision as set forth below, which provision shall be in print larger than the predominant size print in the agreement. The provision may be included within the body of the listing agreement or attached to the listing as an addendum to it. Where the provision is made an addendum to the listing agreement it shall be signed by the owner at the same time that the owner

signs the listing agreement. Prior to securing the owner's signature on the listing agreement, the listing broker shall specify the complete formula for determining the commission split in the indicated location in the provision.

COMMISSION SPLITS

LISTING BROKERS USUALLY COOPERATE WITH OTHER BROKERAGE FIRMS BY SHARING INFORMATION ABOUT THEIR LISTINGS AND OFFERING TO PAY PART OF THEIR COMMISSION TO THE FIRM THAT PRODUCES A BUYER. THIS IS GENERALLY REFERRED TO AS THE "COMMISSION SPLIT."

SOME LISTING BROKERS OFFER TO PAY COMMISSION SPLITS OF A PORTION OF THE GROSS COMMISSION, USUALLY EXPRESSED AS A PERCENTAGE OF THE SELLING PRICE, LESS A SIGNIFICANT DOLLAR AMOUNT. OTHER LISTING BROKERS OFFER A PORTION OF THE GROSS COMMISSION LESS ONLY A MINIMAL LISTING FEE OR LESS ZERO.

THE AMOUNT OF COMMISSION SPLIT YOUR BROKER OFFERS CAN AFFECT THE EXTENT TO WHICH YOUR PROPERTY IS EXPOSED TO PROSPECTIVE BUYERS WORKING WITH LICENSEES FROM OTHER BROKERAGE FIRMS.

ON THIS LISTING, THE BROKER IS OFFERING A COMMISSION SPLIT OF MINUS TO POTENTIAL COOPERATING BROKERS.

IF YOU FEEL THAT THIS MAY RESULT IN YOUR PROPERTY RECEIVING LESS THAN MAXIMUM EXPOSURE TO BUYERS, YOU SHOULD DISCUSS THOSE CONCERNS WITH THE LISTING SALESPERSON OR HIS/HER SUPERVISING BROKER.

BY SIGNING THIS LISTING AGREEMENT THE OWNER(S) ACKNOWLEDGE HAVING READ THIS STATEMENT ON COMMISSION SPLITS.

4. Should the client or principal direct the listing broker not to cooperate at all with all other licensees, evidence of this intent shall be in writing in the form of a WAIVER OF BROKER COOPERATION as set forth below and signed by the client or principal. Copies of this WAIVER OF BROKER COOPERATION and the listing agreement to which it relates shall be provided to the client or principal and to their authorized representative by the broker. This waiver shall become a part of the listing agreement at the time it is signed, and shall be made available for inspection by other brokers upon request. However, no direction or inducement from the client or principal shall relieve the list-

ing broker of his responsibility of dealing fairly and exercising integrity with all other licensees.

WAIVER OF BROKER COOPERATION

I UNDERSTAND THAT COOPERATION AMONGST BROKERS PRODUCES WIDER EXPOSURE OF MY PROPERTY AND MAY RESULT IN IT BEING SOLD OR LEASED SOONER AND AT A HIGHER PRICE THAN WOULD BE THE CASE WERE MY BROKER NOT TO COOPERATE WITH OTHER BROKERS. I FURTHER UNDERSTAND THAT WHEN MY BROKER COOPERATES WITH OTHER BROKERS, I CAN STILL HAVE THE ARRANGEMENTS FOR THE SHOWING OF THE PROPERTY AND ALL NEGOTIATIONS WITH ME OR MY ATTORNEY MADE ONLY THROUGH MY LISTING BROKER'S OFFICE, SHOULD I SO DESIRE.

However, despite my awareness of these factors, I direct that this property is to be marketed only through the efforts of the listing broker. This listing is not to be published in any multiple listing service. I will only consider offers on this property which are obtained by, and I will only allow showings of this property to be conducted by the listing broker or his or her duly authorized representatives. THE LISTING BROKER IS HEREBY DIRECTED NOT TO COOPERATE WITH ANY OTHER BROKER.

By signing below, the parties hereto confirm that no pressure or undue influence has been exerted upon the owners as to how this property is to be marketed by the Listing Broker.

The owner(s) further confirm receipt of fully executed copies of the listing agreement on this property and of this Waiver of Broker Cooperation form.

(g) If any offer on any real property or interest therein is made orally, the licensee shall advise the offeror that he is not obligated to present to the owner or his authorized representative any offer unless the offer is in writing. Unless a writing containing or confirming the terms of the listing agreement otherwise provides, the licensee shall transmit every written offer on any real property or interest therein presented to or obtained by the licensee during the term of the listing to the owner or his authorized representative within 24 hours of receipt of the written offer by their firm. For the purposes of this section, the term of a listing shall be deemed to expire either on the termination date established in the listing agreement, or upon the closing of a pending sale or lease. If any acceptance of an offer is given

orally, the licensee shall secure the acceptance in writing within 24 hours.

(h) Back-up offers shall be handled as follows:

1. As used in this subsection, the term "back-up offer" shall mean a written and signed offer to purchase or lease an interest in real estate which is received by a licensee at a time when a previously executed contract or lease pertaining to the same interest in real estate is pending and in effect, having survived attorney review if it was subject to such review. Offers obtained while a previously executed contract or lease is still pending attorney review are not considered back-up offers and must be presented as provided in (g) above.

2. Whenever a licensee transmits a back-up offer to an owner, the licensee shall advise the owner in writing to consult an attorney before taking any action on the back-up offer, and shall retain a copy of such written notice as a business record in accordance with N.J.A.C. 11:5-5.4.

3. Whenever a licensee receives a back-up offer, the licensee shall notify the offeror in writing that the property to which the offer pertains is the subject of a pending contract of sale or lease and, in the event that the licensee receiving the back-up offer is not licensed with the listing broker, a copy of that notice shall be delivered to the listing broker at the time the offer is presented. The said notice shall not disclose the price and terms of the pending contract or lease. A copy of such written notice shall be retained by the licensee as a business record in accordance with N.J.A.C. 11:5-5.4.

(i) It shall be the duty of a licensee to recommend that legal counsel be obtained whenever the interests of any party to a transaction seem to require it.

(j) At the time of the taking of any listing of residential property, a licensee shall furnish to the owner a copy of a summary of the New Jersey Law Against Discrimination N.J.S.A. 10:5-1 et seq. which summary shall have been prepared and furnished by the Attorney General of the State of New Jersey, shall state the provisions of the Law Against Discrimination, and shall state which properties are covered by this law and which properties are exempt from this law. Should the owner profess an unwillingness to abide by or an intention to violate this law then the licensee shall not accept these listings.

(k) No licensee shall deny real estate brokerage services to any person for reasons of race, creed, color, national origin, ancestry, marital status, civil union status, domestic partnership status, familial status, sex, gender identity or expression, affectional or sexual orientation, disability, nationality, or source of lawful income used for rental or mortgage payments, and no licensee shall participate or otherwise be a party to any plan,

scheme or agreement to discriminate against any person on the basis of race, creed, color, national origin, ancestry, marital status, civil union status, domestic partnership status, familial status, sex, gender identity or expression, affectional or sexual orientation, disability, nationality, or source of lawful income used for rental or mortgage payments. For the purposes of this subsection, the term "disability" shall have the same meaning as the definition of "disability" codified at N.J.S.A. 10:5-5q.

(l) Licensees may engage in brokerage activity in transactions involving the resale of mobile and manufactured homes as provided in N.J.S.A. 39:10-19. Licensees who do so shall be familiar with all laws applicable to such transactions. These laws include N.J.S.A. 39:1-1 et seq. as it applies to the resale of and the transfer of the titles to such motor vehicle units, N.J.S.A. 46:8C-1 et seq., as it applies to the resale of such units when situated in Mobile Home Parks, N.J.S.A. 17:16C-1 et seq., as it applies to the financing of purchases of personal property and New Jersey's Truth in Renting Act, N.J.S.A. 46:8-43 et seq. Licensees who, when involved in transactions of this type, evidence a lack of familiarity with these laws either through acts of omission or commission shall be subject to sanctions by the Commission for having engaged in conduct demonstrating incompetency, in violation of N.J.S.A. 45:15-17(e).

Case Notes

Trial court properly granted summary judgment to a real estate broker in a negligence suit brought by the parents of a tenant of a beach house, which involved the tenant's elderly father incurring injuries after he lost his balance and fell while stepping out onto a wooden platform, as New Jersey courts decline to extend liability to the broker in such a context, namely a short-term rental lease, beyond the limits expressed in *Hopkins v. 11:5-6.8 Disclosure of licensee's affiliation with a mortgage lender or mortgage broker to whom the licensee refers buyers

(a) Whenever a real estate licensee refers a buyer/borrower to a mortgage lender or mortgage broker with whom the licensee is affiliated, the licensee must provide written disclosure of the affiliation to the buyer. This disclosure must be made even though the licensee will receive no fees or compensation for the referral, see N.J.A.C. 11:5-7.2, and even though the licensee also refers the buyer to other, unaffiliated sources of mortgage financing. The disclosure must include the following statement:

YOU ARE UNDER NO OBLIGATION TO USE THE MORTGAGE SERVICES OF _____ WHO/WHICH IS AFFILIATED WITH THIS REAL ESTATE LICENSEE. YOU MAY OBTAIN YOUR MORTGAGE LOAN FROM ANOTHER SOURCE.

(b) For the purposes of this rule, a real estate licensee is considered to be affiliated with a mortgage lender or mortgage broker when:

2. The licensee, either alone or with spouse, parent or child, owns more than one percent of the lender or mortgage broker, the licensee is more than one percent owned by the lender or mortgage broker, or the licensee owns more than one percent or is more than one percent owned by a corporate parent, holding company or other business entity which is a majority shareholder in the lender or mortgage broker,
3. The licensee is a franchisee of a franchiser which owns more than one percent of the lender or mortgage broker or the licensee itself is the franchiser or franchisee of a mortgage lending franchise; or

4. The licensee shares office space or other facilities, or staff, with the lender or mortgage broker.

(c) Where an employing broker or broker of record of a real estate agency has an individual or corporate affiliation with a lender or mortgage broker, all licensees licensed with that real estate broker must provide the required disclosures to buyers referred to the affiliate.

1. Where an office manager has such an individual affiliation, the manager and all licensees working under his or her supervision must provide the disclosure to all buyers referred to the affiliate by that office.

2. Where a referral agent, a salesperson or a broker-salesperson has such an individual affiliation, he or she must provide the disclosure to all buyers he or she refers to the affiliate.

(d) The disclosure required by this section may be combined with the disclosure of affiliation required under RESPA, 12 U.S.C. §§ 2601 et seq. Copies of all written disclosures required by this rule must be retained by the broker as business records available for inspection pursuant to N.J.A.C. 11:5-5.4 and 5.5

11:5-6.9 Consumer Information Statement

(a) When applied to rental transactions which are not exempt from this rule, references to sellers and buyers, and to the various types of brokerage agreements and business relationships mentioned throughout this rule should be construed as indicating their appropriate counterparts in rental transactions. For example, references to sellers should be read as lessors or owners and references to buyers should be read as lessees or tenants, etc. As used in this rule, the following terms or phrases shall have the following meanings:

1. "Brokerage agreement" means a written agreement between a brokerage firm and a party describing the terms under which that firm will perform brokerage services as specified in N.J.S.A. 45:15-3. Brokerage agreements include, but are not

limited to, sale and rental listing agreements, buyer-broker, lessee-broker, transaction broker, and dual agency agreements.

2. "Brokerage firm" means a licensed corporate, partnership or sole proprietor broker, and all individuals licensed with that broker.

3. "Consumer Information Statement" means the Consumer Information Statement on New Jersey Real Estate Relationships as prescribed in (h) below.

4. "Informed consent to dual agency" means the written authorization by a party for the brokerage firm which represents them as their agent in a real estate transaction to also represent the other party to that transaction as an agent. Informed consent can only be obtained after the brokerage firm has disclosed to the consenting party all material facts which might reasonably impact on that party's decision to authorize dual agency, including the extent of the conflicts of interests involved and the specific ways in which each consenting party will receive less than full agency representation from the dual agent. In order to obtain informed consent it is also necessary for the licensee to first advise the consenting party of the other business relationships offered by that licensee and of those not offered by that licensee, and of that party's right to consult an attorney.

5. "Party" shall mean actual or prospective sellers, lessors, buyers or lessees of an interest in real estate.

6. "Short term rental" shall mean the rental of a residential property for not more than the 125 consecutive day time period specified in N.J.S.A. 46:8-19 as constituting the "seasonal use or rental" of real property, under the terms of an oral rental agreement or written lease which contains a specific termination date. Month-to-month tenancies are not considered short term rentals.

7. "Transaction broker" shall mean a brokerage firm which works with both parties in an effort to arrive at an agreement on the sale or rental of real estate and facilitates the closing of a transaction, but does not represent either party, and has no agency relationship with either party to the transaction. The New Jersey Real Estate License Law, N.J.S.A. 45:15-1 et seq., and the administrative rules promulgated thereunder do not mandate that licensees must act as agents when rendering real estate brokerage services.

8. "Business relationship(s)" means real estate licensees working as a seller's agent, a buyer's agent, a disclosed dual agent, or a transaction broker.

(b) Prior to acting as a dual agent, a brokerage firm must have the written informed consent of the parties to the transaction. Informed consent is not acquired through distribution of the Consumer Information Statement on New Jersey Real Estate

Relationships as required by (e) and (k) below alone. At a minimum, licensees must also secure the signature of the party on a separate writing which confirms the party's informed consent to the licensee acting as a Disclosed Dual Agent for that party. Such a writing may be part of, or an attachment to a brokerage agreement.

(c) Licensees shall supply information with regard to their working relationship with parties to real estate transactions as provided in this section.

(d) Licensees shall comply with all requirements of this section when involved in:

1. Transactions which involve the sale of residential real estate containing one to four dwelling units or the sale of vacant one-family lots;

2. Residential lease transactions other than short term rentals. However, in short-term rental transactions, licensees shall include in all leases prepared by them a statement indicating that they are acting in the transaction either as an agent of the landlord, an agent of the tenant, a disclosed dual agent or a transaction broker; and

3. The securing of brokerage agreements on residential properties, including rental listing agreements on residential properties to be offered for short term rentals.

(e) All licensees shall supply information on business relationships to buyers and sellers in accordance with the following:

1. With respect to buyers:

i. All licensees shall verbally inform buyers of the four business relationships described in this section prior to the first discussion at which a buyer's motivation or financial ability to buy is discussed.

ii. If the first such discussion occurs during a business meeting on the buyer's real estate needs, licensees shall deliver the written Consumer Information Statement to the buyers prior to such a discussion. If the first such discussion is telephonic or in a social setting, licensees shall, after having verbally informed the buyer of the four business relationships, deliver the written Consumer Information Statement to the buyer at their next meeting. However, if prior to their first business meeting after such a discussion, any material is mailed, faxed or delivered by the licensee to the buyer, the Consumer Information Statement shall be included with such material.

iii. Where the written Consumer Information Statement has not been delivered to buyers as provided in (e)1ii above, licensees shall deliver the written statement to buyers no later than the

first showing and, if no showing is conducted, no later than the preparation of an initial offer or contract.

iv. Those licensees who intend to enter into a buyer-brokerage relationship with such persons shall deliver the Consumer Information Statement no later than the commencement of their buyer-brokerage agreement presentation.

2. With respect to sellers:

i. All licensees shall verbally inform sellers of the four business relationships described in this section prior to the first discussion at which the seller's motivation or desired selling price is discussed.

ii. If the first such discussion occurs during a business meeting on the seller's real estate needs, licensees shall deliver the written Consumer Information Statement to the sellers prior to such a discussion. If the first such discussion is telephonic or in a social setting, licensees shall, after having verbally informed the seller of the four business relationships, deliver the written Consumer Information Statement to the seller at their next meeting. However, if prior to their first business meeting after such a discussion, any material is mailed, faxed or delivered by the licensee to the seller, the Consumer Information Statement shall be included with such material.

iii. On unlisted properties where the written Consumer Information Statement has not been delivered to sellers as provided in (e)2ii above, licensees shall deliver the written statement to sellers no later than their first showing of the property, and if no showing is conducted, no later than the presentation of an initial offer or contract.

iv. Those licensees who intend to enter into a listing or transaction brokerage agreement with a seller shall deliver the Consumer Information Statement no later than the commencement of their listing or transaction brokerage agreement presentation.

(f) The purpose of (e) above and (h) below is to require licensees to provide basic and introductory information to the public in a convenient and consistent manner, rather than a comprehensive explanation of agency law.

(g) The statement as supplied by the Commission shall be reproduced and delivered by licensees as required in this section as a separate item, with no deletions or additions, other than the optional additional text referred to in (g)1 and 2 below, and recited in (h) below.

1. Brokerage firms may acknowledge delivery of the Statement by procuring the signature of the party to whom it was delivered and the date of delivery in the appropriate place at the bottom of the Statement.

i. On transactions which result in fully executed contracts of sale or consummated rental transactions, copies of Consumer Information Statements on which receipt has been acknowledged as set forth in (g)1 above, shall be maintained as business records for six years in accordance with N.J.A.C. 11:5-5.4(c).

2. Brokerage firms may also indicate on the Statement the capacity in which they intend to work with the party to whom they deliver the Statement.

3. Regardless of whether brokerage firms choose to include on the Statement the additional information referred to in (g)1 and 2 above, all brokerage firms, as is required by (i) and (j) below, shall:

i. Indicate in all brokerage agreements the business relationship they intend to have with the other party to the agreement; and

ii. Indicate in all offers, contracts, or leases prepared by licensees the business relationship the firm has with respect to the parties named in those documents.

(h) The mandatory text of the Consumer Information Statement to be delivered by licensees as provided in (e) above is as follows:

CONSUMER INFORMATION STATEMENT ON NEW JERSEY REAL ESTATE RELATIONSHIPS

In New Jersey, real estate licensees are required to disclose how they intend to work with buyers and sellers in a real estate transaction. (In rental transactions, the terms "buyers" and "sellers" should be read as "tenants" and "landlords," respectively.)

1. AS A SELLER'S AGENT OR SUBAGENT, I, AS A LICENSEE, REPRESENT THE SELLER AND ALL MATERIAL INFORMATION SUPPLIED TO ME BY THE BUYER WILL BE TOLD TO THE SELLER.

2. AS A BUYER'S AGENT, I, AS A LICENSEE, REPRESENT THE BUYER AND ALL MATERIAL INFORMATION SUPPLIED TO ME BY THE SELLER WILL BE TOLD TO THE BUYER.

3. AS A DISCLOSED DUAL AGENT, I, AS A LICENSEE, REPRESENT BOTH PARTIES. HOWEVER, I MAY NOT, WITHOUT EXPRESS PERMISSION, DISCLOSE THAT THE SELLER WILL ACCEPT A PRICE LESS THAN THE LISTING PRICE OR THAT THE BUYER WILL PAY A PRICE GREATER THAN THE OFFERED PRICE.

4. AS A TRANSACTION BROKER, I, AS A LICENSEE, DO NOT REPRESENT EITHER THE BUYER OR THE

SELLER. ALL INFORMATION I ACQUIRE FROM ONE PARTY MAY BE TOLD TO THE OTHER PARTY.

Before you disclose confidential information to a real estate licensee regarding a real estate transaction, you should understand what type of business relationship you have with that licensee.

There are four business relationships: (1) seller's agent; (2) buyer's agent; (3) disclosed dual agent; and (4) transaction broker. Each of these relationships imposes certain legal duties and responsibilities on the licensee as well as on the seller or buyer represented. These four relationships are defined in greater detail below. Please read carefully before making your choice.

SELLER'S AGENT

A seller's agent WORKS ONLY FOR THE SELLER and has legal obligations, called fiduciary duties, to the seller. These include reasonable care, undivided loyalty, confidentiality and full disclosure. Seller's agents often work with buyers, but do not represent the buyers. However, in working with buyers a seller's agent must act honestly. In dealing with both parties, a seller's agent may not make any misrepresentation to either party on matters material to the transaction, such as the buyer's financial ability to pay, and must disclose defects of a material nature affecting the physical condition of the property which a reasonable inspection by the licensee would disclose.

Seller's agents include all persons licensed with the brokerage firm which has been authorized through a listing agreement to work as the seller's agent. In addition, other brokerage firms may accept an offer to work with the listing broker's firm as the seller's agents. In such cases, those firms and all persons licensed with such firms are called "sub-agents." Sellers who do not desire to have their property marketed through sub-agents should so inform the seller's agent.

BUYER'S AGENT

A buyer's agent WORKS ONLY FOR THE BUYER. A buyer's agent has fiduciary duties to the buyer which include reasonable care, undivided loyalty, confidentiality and full disclosure. However, in dealing with sellers a buyer's agent must act honestly. In dealing with both parties, a buyer's agent may not make any misrepresentations on matters material to the transaction, such as the buyer's financial ability to pay, and must disclose defects of a material nature affecting the physical condition of the property which a reasonable inspection by the licensee would disclose.

A buyer wishing to be represented by a buyer's agent is advised to enter into a separate written buyer agency contract with the brokerage firm which is to work as their agent.

DISCLOSED DUAL AGENT

A disclosed dual agent WORKS FOR BOTH THE BUYER AND THE SELLER. To work as a dual agent, a firm must first obtain the informed written consent of the buyer and the seller. Therefore, before acting as a disclosed dual agent, brokerage firms must make written disclosure to both parties. Disclosed dual agency is most likely to occur when a licensee with a real estate firm working as a buyer's agent shows the buyer properties owned by sellers for whom that firm is also working as a seller's agent or subagent.

A real estate licensee working as a disclosed dual agent must carefully explain to each party that, in addition to working as their agent, their firm will also work as the agent for the other party. They must also explain what effect their working as a disclosed dual agent will have on the fiduciary duties their firm owes to the buyer and to the seller. When working as a disclosed dual agent, a brokerage firm must have the express permission of a party prior to disclosing confidential information to the other party. Such information includes the highest price a buyer can afford to pay and the lowest price a seller will accept and the parties' motivation to buy or sell. Remember, a brokerage firm acting as a disclosed dual agent will not be able to put one party's interests ahead of those of the other party and cannot advise or counsel either party on how to gain an advantage at the expense of the other party on the basis of confidential information obtained from or about the other party.

If you decide to enter into an agency relationship with a firm which is to work as a disclosed dual agent, you are advised to sign a written agreement with that firm.

TRANSACTION BROKER

The New Jersey Real Estate Licensing Law does not require licensees to work in the capacity of an "agent" when providing brokerage services. A transaction broker works with a buyer or a seller or both in the sales transaction without representing anyone. A TRANSACTION BROKER DOES NOT PROMOTE THE INTERESTS OF ONE PARTY OVER THOSE OF THE OTHER PARTY TO THE TRANSACTION. Licensees with such a firm would be required to treat all parties honestly and to act in a competent manner, but they would not be required to keep confidential any information. A transaction broker can locate qualified buyers for a seller or suitable properties for a buyer. They can then work with both parties in an effort to arrive at an agreement on the sale or rental of real estate and perform tasks to facilitate the closing of a transaction. A transaction broker primarily serves as a manager of the transaction, communicating information between the parties to assist them in arriving at a mutually acceptable agreement and in closing the transaction, but cannot advise or counsel either party on how to gain an

advantage at the expense of the other party. Owners considering working with transaction brokers are advised to sign a written agreement with that firm which clearly states what services that firm will perform and how it will be paid. In addition, any transaction brokerage agreement with a seller or landlord should specifically state whether a notice on the property to be rented or sold will or will not be circulated in any or all Multiple Listing System(s) of which that firm is a member.

Case Notes

Trial court properly granted summary judgment to a real estate broker in a negligence suit brought by the parents of a tenant of a beach house, which involved the tenant's elderly father incurring injuries after he lost his balance and fell while stepping out onto a wooden platform, as New Jersey courts decline to extend liability to the broker in such a context, namely a short-term rental lease, beyond the limits expressed in *Hopkins v. Fox Lazo Realtors*, 132 N.J. 426 (1993) *Reyes v. Egner*, 404 N.J. Super. 433, 962 A.2d 542, 2009 N.J. Super. LEXIS 4 (2009).

Builder-developer of residential real estate or broker representing it may be liable for nondisclosure of off-site physical conditions known to it and unknown and not readily observable by purchaser if the existence of those conditions is of sufficient materiality to affect the habitability, use, or enjoyment of the property. *Strawn v. Camuso*, 140 N.J. 43, 657 A.2d 420 (1995).

2. Referring prospects for the sale, purchase, exchange, leasing or rental of real estate to the real estate broker through whom they are licensed as a referral agent or, should that broker autho-

size the referral agent to do so, to another real estate licensee. In all cases where referrals are made pursuant to such an authorization, the referral agent shall provide written or electronic notice to his or her broker or to that broker's designee, who shall be a broker-salesperson or salesperson licensee, at the time the referral is made. In accordance with N.J.S.A. 45:15-16, all compensation payable to a referral agent for any referral shall be paid by the broker through whom the referral agent is licensed.

(b) A referral agent shall not be employed by or licensed with more than one real estate broker at any given time.

(c) No person shall be simultaneously licensed as a referral agent and a real estate broker, broker-salesperson or a salesperson in this State.

(d) Referral agents shall not engage in prohibited brokerage activity for their broker or for others, and shall not receive compensation from their broker or any other person for engaging in prohibited brokerage activity. For the purposes of this section, prohibited brokerage activity includes, but is not limited to, the following:

1. Negotiating the purchase, sale, or exchange of an interest in real estate;
2. Leasing or renting or offering to lease or rent any interest in real estate;
3. Collecting rents for the use of real estate or any other monies;
4. Negotiating commissions or compensation rates and otherwise negotiating or signing listing or buyer-brokerage agreements;

10. Conducting showings or open house presentations of properties;

11. Participating in expositions, marketing shows or other presentations where information on specific properties or real estate interests marketed through a common promotional plan, including but not limited to planned unit developments, is provided to the public;

SUBCHAPTER 7. PROHIBITED ACTIVITIES

11:5-7.1 Prohibition against licensees receiving dual compensation for dual representation in the sale or rental transaction

(a) Real estate licensees are prohibited from receiving compensation from both a seller and a buyer for representing both seller and buyer in the same real estate sales transaction. This prohibition applies even when the dual agency has been fully disclosed by the licensee to both parties.

(b) Real estate licensees are prohibited from receiving compensation from both a landlord and a tenant for representing both the landlord and the tenant in the same rental transaction. This prohibition applies even when the dual agency has been fully disclosed by the licensee to both parties.

(c) Within the meaning of this section, the phrases "sales transaction" and "rental transaction" do not include any related transactions whether or not they are contingencies in the contract or lease. For example, where there is a mortgage contingency in a contract of sale, the mortgage loan is a related transaction between the buyer and lender; it is not the same transaction as the sale.

(d) A licensee who represents only one party to a sale or rental transaction may receive the entire compensation for such representation from either party or a portion of that compensation from both parties to the transaction, provided that where a licensee prepares a contract or lease full written disclosure of the agency relationship and of the compensation arrangement is made to both parties to the transaction in the contract or lease. Where a licensee does not prepare the contract or lease, but seeks compensation from a party whom he or she does not represent, that licensee's agency relationship and proposed compensation

arrangement shall be disclosed to all parties in a separate writing prior to execution of the contract or lease.

(e) A licensee who represents any party to a sale or rental transaction may receive compensation from either party for providing actual services in related transactions, provided that the licensee discloses the related services, sources and amounts of compensation in writing to the parties to the sale or rental transaction. Where the related services to be provided by the licensee are mortgage financing services provided to the buyer for compensation or reimbursement, the written disclosures must comply with N.J.A.C. 11:5-6.7. The broker shall maintain records of such related transactions including all required written disclosures, which records shall be available to the Commission for inspection pursuant to N.J.A.C. 11:5-5.5.

(f) Except as provided in (g) below, when providing mortgage financing services related to the purchase or sale of a one to six family residential dwelling, a portion of which may be used for non-residential purposes, located in New Jersey:

1. A real estate broker shall not solicit or receive compensation or reimbursement pursuant to (e) above greater than the expense amount permitted at closing by rule of the Department of Banking and Insurance unless licensed as a mortgage broker or mortgage banker by the Department of Banking and Insurance pursuant to the New Jersey Licensed Lenders Act, N.J.S.A. 17:11C-1 et seq.; and

2. A real estate referral agent, salesperson or broker-salesperson shall not solicit or receive any compensation or reimbursement pursuant to (e) above from any person other than his or her employing real estate broker unless licensed as a residential mortgage broker or mortgage banker or a mortgage loan originator by the Department of Banking and Insurance pursuant to the New Jersey Residential Mortgage Lending Act, N.J.S.A. 17:11C-51 et seq.

(g) Any real estate licensee who is individually employed as a mortgage solicitor by a licensed mortgage banker or mortgage broker and registered in compliance with applicable law and the rules of the Department of Banking and Insurance may solicit and accept compensation from his or her licensed mortgage employer for providing mortgage services in residential mortgage transactions.

New Rule, R.1992 d.232, effective June 1, 1992.

See: 23 N.J.R. 3424(b), 24 N.J.R. 2058(b).

See: 24 N.J.R. 1957(a), 24 N.J.R. 2129(a), 24 N.J.R. 4268(a).

Added (f), limiting solicitation and receipt of compensation for mortgage financing services to \$ 250 00; and (g), permitting solicitation of mortgage banker or broker by real estate licensee who is also employed as a mortgage solicitor by said banker or broker.

Amended by R.1998 d.497, effective October 5, 1998.

See: 30 N.J.R. 2333(a), 30 N.J.R. 3646(a).

In (e), changed N.J.A.C. references, and rewrote (f) and (g).

Amended by R.2012 d.006, effective January 3, 2012.

See: 43 N.J.R. 1791(a), 44 N.J.R. 86(b).

In (f)2, inserted "referral agent", "residential" and "or mortgage loan originator", and substituted "Residential Mortgage Lending Act, N.J.S.A. 17:11C-51 et seq." for "Licensed Lenders Act, N.J.S.A. 17:11C-1 et seq."

11:5-7.2

Prohibition against kickbacks for related business referrals

(a) Any real estate licensee who solicits or accepts any fee, kickback, compensation or thing of value merely for referring a customer or client to a lender, mortgage broker, or other provider of related services, shall be subject to sanction by the Commission for engaging in conduct demonstrating unworthiness, bad faith and dishonesty. Any compensation received by a real estate licensee, pursuant to N.J.A.C. 11:5-7.1(e), for services in related transactions must be for services actually performed by the licensee beyond mere referral. Compliance with the anti-kickback provisions of the Federal Real Estate Settlement Procedures Act ("RESPA"), 12 U.S.C. § 2607, the regulations thereunder, or any opinion regarding RESPA issued by the Federal Department of Housing and Urban Development will be considered to be in compliance with this subsection.

(b) Any compensation paid by a real estate broker to a referral agent shall be limited to compensation for referring prospective consumers of real estate brokerage services to the broker. Real estate brokers are prohibited from offering incentives to the referral agents, salespersons or broker-salespersons licensed under them for merely referring clients or customers to a particular lender, mortgage broker or other provider of related services. Any compensation paid by a real estate broker to a salesperson or broker-salesperson for services in transactions related to a sale or rental transaction must be for services actually performed by the salesperson beyond mere referral to a mortgage lender, mortgage broker or other provider of related services. For example, a real estate broker who provides in-house mortgage services may compensate a salesperson licensed with that broker who performs actual mortgage services. However, the broker is prohibited from offering bonuses or any extra consideration of any kind to licensees of his or her firm for merely referring buyers to the in-house mortgage service or any particular lender or mortgage broker. For example, a real estate broker shall not offer or pay a salesperson a higher commission rate on a real estate transaction because the mortgage is placed through the in-house mortgage service or affiliated lender. A broker shall not award prizes or bonuses to salespersons based upon the number of customer referrals made to the in-house mortgage service or to a particular lender.

New Rule, R.1992 d.232, effective June 1, 1992.

See: 23 N.J.R. 3424(b), 24 N.J.R. 2058(b).

Amended by R.1998 d.497, effective October 5, 1998.

See: 30 N.J.R. 2333(a), 30 N.J.R. 3646(a).

In (a), changed N.J.A.C. reference.

Amended by R.2012 d.006, effective January 3, 2012.

See: 43 N.J.R. 1791(a), 44 N.J.R. 86(b).

In (b), inserted the first sentence, inserted "referral agents," "or broker-salesperson" and "to a mortgage lender, mortgage broker or other provider of related services"; and substituted "licensees of his or her firm" for "salespersons" following "kind to".

Case Notes

Requiring real estate brokerage offices to be Mortgage Bankers and Brokers Act licensee branches was arbitrary. *Mortgage Bankers Ass'n of New Jersey v. New Jersey Real Estate Com'n*, 283 N.J. Super. 233, 661 A.2d 832 (A.D. 1995).

11:5-7.3 Licensees with in-house mortgage services prohibited from excluding all outside mortgage solicitors

Real estate brokers who provide mortgage financing services to buyer/borrowers in-house, whether through computerized loan origination systems, or affiliated lenders or affiliated mortgage brokers, etc., are prohibited from limiting buyer's choices by denying outside lenders reasonable access to solicit mortgage loans in their real estate offices. Reasonable access will be presumed where three or more outside, non-affiliated lenders are permitted to send solicitors into the real estate office during business hours to contact salespersons. The reasonableness of the broker's overall office policy concerning rate sheets, and access by outside lenders, other visitors and solicitors, will also be considered. In no event shall this rule be interpreted to require any real estate broker to permit any one specific lender to solicit loans inside the real estate office or to require the real estate broker to set aside any particular space or facilities inside the real estate office for the use of outside mortgage solicitors.

(a) No licensee shall affirmatively solicit the sale, lease or the listing for sale or lease of residential property on the grounds of alleged change of value due to the presence or prospective entry into the neighborhood of a person or persons of another race, religion or ethnic origin, nor shall distribute, or cause to be distributed, material, or make statements designed to include a residential property owner to sell or lease his property due to such change in the neighborhood.

(b) Every real estate broker who, in a personal meeting, solicits the sale, lease or the listing for sale or lease of three or more residential properties fronting on either side of any street between intersecting or cross streets or between a cul-de-sac or other like termination point and an intersecting or cross street within the

same month, whether directly or through personal meetings attended by his or her firm's licensees, shall maintain a permanent record for at least one year from the date of said solicitation, which shall be available for inspection by the Commission or any representative thereof upon request, setting forth the name and address of each person so solicited, the address of the property involved, the name of the licensee actually making such solicitation, and the date upon which the solicitation took place. At the request of the Commission or any representative thereof, any such broker shall file with the Commission a copy of the permanent record, or a statement containing the same information as set forth in the permanent record. Such filing shall be made with the Commission no later than 10 days following the request therefore.

Amended by R.2012 d.006, effective January 3, 2012.

See: 43 N.J.R. 1791(a), 44 N.J.R. 86(b).

In (a), substituted "licensee" for "broker or salesman"; and in (b), substituted "firm's licensees" for "salespersons" and "10" for "ten".

11:5-7.5 Proscription of price-fixing and agreements in regard to methods of arriving at commission

(a) No licensee shall combine, conspire, suggest, or recommend to, or with any other licensee(s) that any rate, commission or fee to be charged by them, or any division of such commission by them be fixed, established, maintained, suggested or stabilized. Nothing in this section shall prohibit any intra-office communications with regard to the establishment of commissions or division of commissions.

(b) No licensee shall directly or indirectly recommend or suggest to any other licensee(s) that such person(s) adhere to any schedule or recommendation of another concerning the rates, commissions or fees to be charged or the methodology or approach by which a commission, rate or fee is arrived at, or division of fees to be made, in the conduct of business. Nothing in this section shall prohibit any intra-office communications with regard to the establishment of commissions or division of commissions. Information imparted solely for the purposes of instruction, and not for the purpose of recommending guidelines or a preferred method of pricing, at any bona fide trade association seminar or educational courses shall be excepted from the proscription set forth in this section.

New Rule, R. 1981 d.261, effective July 9, 1981.

See: 13 New Jersey Register 306(a), 13 New Jersey Register 440(c).

11:5-7.6 Proscription of certain discriminatory commission splits

No licensee shall directly or indirectly take any punitive or retaliatory action against any other licensee(s) where such action is based upon the failure or refusal to adhere or to adopt any commission. No licensee shall adopt a discriminatory commission split against another broker because of such other broker's failure or refusal to adhere to or adopt any commission; if a listing broker varies his commission split policy with any selling broker on a cooperative sale, the listing broker shall maintain a file at his place of business which shall contain in writing an explanation for the variation and which reflects who made the decision and why it was made. Nothing in this section shall prohibit a listing broker from varying his commission split policy with respect to any one or more selling brokers in order to achieve equality of commission splits with such other selling broker or brokers in connection with their commission split policy with such listing broker.

New Rule, R. 1981 d.261, effective July 9, 1981.
See: 13 New Jersey Register 306(a), 13 New Jersey Register 440(c).

11:5-7.7 Proscription on pressuring media

No licensee shall agree, combine or conspire with another to boycott, or threaten to boycott, or refuse to do business with any promotional medium where such refusal or boycott is based on the acceptance by any medium of advertising of price or commissions of a competitive or discount nature.

New Rule, R. 1981 d.261, effective July 9, 1981.

SUBCHAPTER 8. DISCIPLINARY ACTIONS/CONDITIONS FOR RESTORATION OF LICENSE/REAL ESTATE GUARANTY FUND CLAIMS

11:5-8.1 Disciplinary action; restitution

(a) Violation of any of these rules and regulations, or of any real estate statute, shall be sufficient cause for any disciplinary action permitted by statute.

(b) In accordance with the provisions of N.J.S.A. 45:15-9 and N.J.S.A. 45:15-17, the Commission, in appropriate circumstances, will exercise its authority to impose restitution of moneys owed others as a condition to the issuance of a license or to the reinstatement of a license after revocation or suspension.

(c) The Commission may, where the nature of the offense so warrants, impose as a condition to any future license restoration, the successful accomplishment of a written examination of the same type normally given to applicants for initial licenses.

(a) Upon receipt of an application for registration in proper form and accompanied by payment of the required filing fee in the correct amount as prescribed by N.J.S.A. 45:15-16.34, the Commission shall, within 10 business days of its receipt of the same, issue a Notice of Filing to the applicant. The notice of filing shall not be construed as an approval of the registration or any portion thereof.

1. The date of filing shall be considered as the date when all required documents have been submitted in proper form and all fees, including the inspection fee, if requested, have been paid.

(b) Within 90 days from the date of a notice of filing, the Commission shall either enter an Order of Rejection or, if the Commission affirmatively determines that the requirements of N.J.S.A. 45:15-16.27 et seq. and this subchapter have been met, an Order of Registration. 11:5-9.9 Inspection of properties by the Commission

(a) As provided in N.J.S.A. 45:15-16.41, the Commission, at its discretion, may make on-site inspections of any subdivision which is the subject of an application for registration, either before an Order of Registration has been issued or thereafter. In any instance where an Order of Registration has been issued prior to the subdivision being inspected by the Commission, such Order shall be considered conditional and subject to the results of the Commission's inspection of the premises. The Commission may at its discretion conduct subsequent on-site inspections.

(b) The costs of inspections shall be paid by the applicant who shall provide a deposit when requested by the Commission. After the inspection the Commission shall provide the applicant/registrant with a statement of costs incurred and a refund of any portion of the deposit not expended or a request for additional funds if required.

11:5-9.10 Amendments to registration applications and Public Offering Statements

(a) The registrant shall immediately file with the Commission amendments to its registration application and/or Public Offering Statement reflecting any material change(s) in previously sup-

plied information or documents, in order that the information provided purchasers is current.

(b) Material change means, but is not limited to, any significant change in the size or character of the development or interest being offered or anything having a significant effect on the rights, duties or obligations of the developer or purchaser.

1. Changes in selling prices and advertising, the identity of the officers and directors of a registrant, and notice of the completion of improvements on a timely basis as represented in a previously approved Public Offering Statement are not considered material changes.

2. The transfer of control of any association responsible for the maintenance of common areas and/or the operation of common facilities or amenities by the registrant to the owners of interests in the subdivision is a material change.

(c) Subsequent to the Commission having approved a Public Offering Statement, no revised Public Offering Statement shall be given to prospective purchasers without the approval of the Commission.

(a) No later than 30 days after the anniversary date of the latest Order of Registration, and while the registrant retains any interest in the subdivision, the registrant shall file, on a form designated by the Commission, an annual report reflecting any material changes in the information contained in the original application for registration or in the most recent Annual Report previously filed.

1. This requirement shall not diminish the obligation of the registrant to notify the Commission of material changes as they occur.

2. The annual report shall contain an audited financial statement or compilation prepared by an independent public accountant showing the receipts and expenditures of any association serving the project and under the control of the registrant, which financial statements shall be compiled on a yearly basis, and certified if required by the situs state.

3. The yearly audit submitted with the annual report shall be the most current audit available. In no event may the date of the yearly audit be earlier than 18 months prior to the date of the annual report. The registrant will not have to file a separate audit with the Commission for any association controlled by the owners of interests in the subdivision.

(b) The registrant may file an application for termination of its obligations with the Commission in which the registrant shall certify the grounds for termination.

1. Upon a determination by the Commission that an annual report is no longer necessary for the protection of the public interest or that the registrant no longer retains any interest and no longer has any contractual, bond or other obligations to New Jersey purchasers in the subdivision, including having fulfilled all undertakings referred to in the Public Offering Statement, and that the registrant has ceased all marketing activity in New Jersey, the Commission shall issue an order terminating the responsibilities of the registrant under the Act upon the registrant making application for the issuance of an Order of Termination, accompanied by acceptable proofs that the above requirements have been met.

11:5-9.12 Home builders

Unless exempt pursuant to N.J.S.A. 45:15-16.32, a home builder selling house and lot packages offered as part of a common promotional plan, regardless of whether the lots are contiguous, is a "subdivider" as defined in N.J.S.A. 45:15-16.28, and therefore such offerings are subject to the Act and to this subchapter.

11:5-9.13 Grounds for denial of registration applications and for the revocation of Orders of Registration

A finding that an applicant or registrant has previously been determined to have engaged in unfair acts and/or fraudulent or deceptive practices by the Federal Trade Commission, or as set forth in the Federal Interstate Land Sales Full Disclosure Act (82 Stat. 590; 15 U.S.C. § 1701 et seq.), or to have violated the Act and/or similar acts in other States, may constitute grounds for the Commission, after providing the applicant or registrant

with the opportunity for a hearing pursuant to the Administrative Procedure Act, N.J.S.A. 52:14B-1 et seq., and the Uniform Administrative Procedure Rules, N.J.A.C. 1:1, to refuse to issue or to revoke an Order of Registration.

11:5-9.14 Advertising and sales promotions with respect to the sale and marketing of registered properties

(a) Advertisements that refer to the purchase price of any lot, unit, parcel or interest in real estate shall state the full purchase price and shall disclose any known or estimated additional assessments or costs to the purchaser.

1. In order to eliminate fictitious pricing or illusionary discounts, no certificates shall be distributed indicating that a discount from the advertised price shall be given. This shall not preclude the giving of a discount on the basis of any reasonable criteria.

2. Advertising shall not refer to a price increase unless the amount and date of the increase are indicated.

(b) Advertising that contains statements regarding taxes shall not use terms such as "low" and "stable", but shall state what the current taxes are, or an accurate estimate of such taxes based on current tax rates or value ratios.

1. Any reference to proposed improvements for which the purchaser will be assessed shall clearly set forth the facts of the assessment and the estimated amount of the assessment.

2. Advertising shall not state that items or services are free when the cost thereof is included in the assessment

(c) Advertising shall not refer to any common element or facility that does not presently exist unless that fact is prominently stated in the advertising, accompanied by the proposed date of completion, which shall also appear prominently in the advertising.

(d) Advertising shall not contain photographs, sketches or artist's conceptions unless the fact that these are conceptions are stated immediately adjacent to them in the advertisement.

(e) Advertising shall not refer in wording, photograph, sketch or conception to any recreation, medical, social, shopping or other facility that is not located within the subdivision unless it clearly states that the facilities are not located in the subdivision and states the approximate distance therefrom in miles via paved roads.

(f) Any model unit that is used as part of a promotional plan shall be in substantial conformity with the units that are subsequently constructed unless otherwise noted in the contract of sale. If changes are to be made in the units other than landscap-

ing, appliances, furnishings, heating, air conditioning, electrical or plumbing, a legible notice shall be conspicuously placed in the model, or picture photo or rendering of the model, advertising prospective purchasers of the change. In the event that there are items in the model that are available only at additional cost, legible notice informing purchasers that the items are available only at additional cost should be posted in a prominent place in the model.

(g) When properties or interests therein are not registered with the Commission, nor wholly or partially exempt from the Act, and advertisements regarding such properties or interests are placed in any media which is distributed in or broadcast into the State of New Jersey, a disclaimer shall be included, indicating that the properties or interests are not registered with the New Jersey Real Estate Commission, and that the advertisement is not an offer to New Jersey residents.

1. As a result of their failure to register such properties or interests pursuant to N.J.S.A. 45:15-16.27 et seq., the owners of such properties or interests may not make, or cause to be made, an offer or disposition of the properties or interests in this State, nor direct any offer of such properties or interests originating outside of this State to a person or resident within this State.

(h) Advertisements which contain offers of premiums or of reimbursement of travel expenses in cash or merchandise shall be subject to the following:

1. The promotional material shall clearly and conspicuously state the necessity of attendance at or submission to a sales promotion, the minimum length of time required to be spent at such sales promotion in order to qualify for reimbursement or other premium or inducement, the terms and conditions of the offer, and the retail value of any premiums offered;

i. Such advertisements shall also include a statement indicating that the promotion is a solicitation for the sale of condominiums, lots, or other interests in real estate as applicable, the name of the project and the registration number assigned to the project by the Commission preceded by: "N.J. Reg. No."

2. "Travel expenses" may be reimbursed in cash or by merchandise;

3. Any advertisements, including those which contain offers of reimbursement of travel expenses, offers of premiums, or other inducements must also comply with the provisions of the New Jersey Consumer Fraud Act (N.J.S.A. 56:8-1 et seq.)

(i) Registrants who advertise in a language other than English shall make available to prospective purchasers all disclosure documents, including, but not limited to, the Public Offering

Statement, and the sales contract written in the same language as that used in the registrant's advertisements.

11:5-9.15 Compliance with situs state requirements

Any instrument evidencing the sale or disposition of an interest in a registered property shall be executed in accordance with the laws of the situs state. An applicant/registrant may be required to submit proof of compliance.

11:5-9.16 Improvements to be made at registered properties

(a) A property in a subdivision, or any part thereof, on which construction of a promised improvement for public use, convenience or necessity has not been completed, shall not be registered for disposition unless completion of the improvement is assured by a court order, or government approved improvement district with sufficient taxing or other authority to raise adequate capital to assure completion, or a substantial completion bond or similar undertaking acceptable to the Commission as provided in (c) below, or by adequate reserves established and maintained in a trust or escrow account meeting the following criteria:

1. Such funds shall be kept and maintained in an escrow account separate and apart from the registrant's funds and from any other escrowed funds;

2. The account shall be established in a bank or trust company doing business in this State or the situs state, and approved by the Commission; and

3. The trust or escrow agreement shall have as its purpose the protection of the purchaser or prospective purchaser in the event of a failure to complete construction of promised improvements or a failure to satisfy any obligations or liens encumbering the purchaser's title by reason of the construction.

(b) A property in a subdivision, or a part thereof, on which construction of a promised improvement not for public use, convenience or necessity is represented or implied, shall not be registered for disposition to the public where such improvement has not been completed, unless completion is assured by:

1. An adequate plan of development, including financial resources committed to carry out the plan as provided in (c) below, which plan is subject to the Commission's continuing review and approval; or

2. Adequate funds maintained in a trust or escrow account, or an irrevocable bank letter of credit.

(c) The Commission may accept surety bonds, escrow accounts, irrevocable bank letters of credit, or any other financial security adequate to assure a plan of development. In determining the security required, the Commission shall examine the status of improvements, the overall cost of improvements, the terms of purchaser contracts, the financial condition of the subdivider and such other data as it considers necessary. The Commission may consider whatever financial security has been posted with other governmental authorities in making its determination.

11:5-9.17 Contracts for the purchase of an interest in a registered property

(a) All contracts or agreements for the disposition of a lot, parcel, unit or interest in a registered subdivision shall not impose undue restrictions or hardships upon the purchaser. All contracts shall be in accordance with the laws of the situs state, except that they shall conform to the Real Estate Sales Full Disclosure Act and to this subchapter, and all conflicts shall be resolved to the satisfaction of the Commission.

(b) Any contract or agreement for the purchase of any lot, parcel, unit or interest in a registered subdivision may be cancelled without cause, by the purchaser sending or delivering written notice of cancellation by midnight of the seventh calendar day following the date on which such contract or agreement was executed. Upon receipt of such a notice of cancellation, the developer or his agent shall promptly refund all monies to the purchaser.

(c) Every contract or agreement shall contain the following notice in 10-point boldfaced type or larger, directly above the space provided for the signature of the purchaser:

NOTICE to PURCHASER or LESSEE: You have the right to cancel this contract by midnight of the seventh calendar day following the day on which you have executed this contract or agreement. You should read this entire contract and the Public Offering Statement on this project before signing any documents or paying any monies.

(d) All contracts which contain provisions requiring the payment of deposit monies shall contain a statement describing how the deposit moneys will be maintained in escrow or otherwise secured as provided in N.J.A.C. 11:5-9.4(a)3.

English and in the language in which the advertising appears. That filing shall be accompanied by a certification attesting to the accuracy of the translation of the text of the contract. The certification shall be in a form as specified by the Commission and signed by an authorized representative of the registrant and a qualified translator.

Case Notes

11:5-9.18 Exemptions from the provisions of N.J.S.A. 45:15-16.27 et seq.

(a) Any person who believes that property may be exempt from the provisions of the Act, or who is contemplating marketing property in New Jersey which he believes may be exempt, may apply to the Commission for a Letter of Exemption. Such application shall be in written affidavit form and shall list the reasons why such property or proposed project may be exempt from the Act. Such an application for exemption shall be accompanied by a non-refundable fee of \$ 80.00.

1. In the event the Commission shall determine that such property is exempt from the Act, it shall issue a Letter of Exemption setting forth the facts upon which the determination is based.

2. In the event the Commission shall determine that such property is not exempt from the provisions of the Act, it shall deny the request for exemption in writing, setting forth therein the facts upon which the determination is based, and shall send such writing to the applicant via certified mail, return receipt requested.

3. Any person who is aggrieved by such a determination is entitled to a hearing on such determination, provided said hearing is requested in writing no later than 30 days from the date of the applicant's receiving notice of such determination.

4. The Commission shall issue a determination as to whether a property is, or is not, exempt within 30 days of its receipt of a complete request for exemption, with the appropriate fee.

(b) If the nature of the property and/or of the proposed offering indicate that the applicant would be subject to the registration requirements of the Act, the applicant may apply to the Commission for a limited exemption. If the commission determines that enforcement of the entire Act and of all of these rules

is not necessary in the public interest or for the protection of purchasers, due to the small amounts involved or the limited character of the offering, it may issue a "Limited Exemption" from registration to the applicant.

1. A limited exemption may be granted by reason of the small number of lots, parcels, units or interests to be offered only if all improvements necessary for the use of the property have been completed, or adequate surety and/or financial assurances for completion of promised improvements and amenities has been established. No limited exemption may be granted with regard to property contiguous or reasonably contiguous to property for which a limited exemption has previously been granted and which is being offered by the same applicant, or by a predecessor or successor in title to or an affiliate of that applicant.

2. A limited exemption may be granted by reason of the limited character of the offering where the nature of the property, or of the prospective purchasers to whom the property will be offered, is such that it is likely prospective purchasers will have expert advice concerning the purchase independent of that supplied by the applicant or his agents. An application for a limited exemption for this reason shall include a copy of any prospectus, offering statement or other such solicitation. A limited exemption granted for this reason shall be confined to the group of offerees specified in the application.

3. An application for a limited exemption shall specify the particular lots, parcels, units or interests for which exemption is sought. Any limited exemption granted shall be confined to those lots, parcels, units or interests so specified.

4. An application for a limited exemption shall include a narrative description that clearly describes the nature of the subdivision and the factual basis and reasons why the limited exemption should be granted.

5. The Commission shall assign a New Jersey exemption number beginning with the prefix "N.J.E." to each project to which a limited exemption is issued. This number shall thereafter appear on all publications or broadcasts of advertisements of the exempted project which include offers of a premium or to provide or reimburse the cost of travel which are directed to citizens of this State, or which appear in national or regional advertising circulated within this State.

6. Any limited exemption granted shall remain in effect for a period of two years from the date of issuance indicated in the Letter of Exemption, unless revoked as described below.

7. Any limited exemption granted shall permit the recipient to offer the property to New Jersey residents without obtaining an Order of Registration. A limited exemption shall not deprive the Commission of jurisdiction to enforce any other provision of the

Act or this subchapter, or to revoke the limited exemption after notice and an opportunity to be heard.

8. A \$ 250.00 non-refundable fee shall be tendered with any application for a limited exemption.

9. All applications for a limited exemption shall comply with the following minimum requirements:

i. The filing of an exemption application affidavit-questionnaire;

ii. The filing of proof of title and a plat map specifying the lots or units to be exempted, with colored shading;

iii. The requirements for the securing of all deposits, down payments, or funds of others as prescribed in this subchapter;

iv. The filing of satisfactory proof of surety and/or financial assurances for any promised improvements or amenities;

v. The advertisement standards and procedures established at N.J.A.C. 11:5-9.14; and

vi. The filing of any other documents that the Commission may deem necessary.

10. Any applicant granted a limited exemption by the Commission, pursuant to this subchapter, shall comply with the annual reporting requirements of N.J.S.A. 45:15-16.40 and N.J.A.C. 11:5-9.11.

11. No limited exemption granted hereunder shall be effective until a Letter of Limited Exemption is issued by the Commission to the applicant for the exemption.

12. A copy of the New Jersey Letter of Limited Exemption, or of a Public Offering Statement approved by the Commission, shall be provided to each New Jersey purchaser prior to their signing any contract for the purchase of an interest in property included within the limited exemption issued by the Commission, and a receipt obtained for the same shall be kept on file for seven years by the recipient of the limited exemption.

13. Any material change in the information reflected on the application for a limited exemption or on any documentation submitted in support of such application, shall immediately void any exemption issued based upon such application.

Amended by R. 1998 d.497, effective October 5, 1998.

See: 30 New Jersey Register 2333(a), 30 New Jersey Register 3646(a).

In (b), rewrote 5, deleted "The Commission shall determine what constitutes a material change" from the end of 13, and changed N.J.A.C. references throughout.

11:5-9.19 Imposition of regulatory sanctions; cease and desist orders; hearings

(a) Prior to issuing an Order revoking or suspending a registration and/or imposing any penalty authorized by the Act, and/or directing that a registrant permanently cease and desist from taking any action or continuing any course of conduct, the Commission shall provide written notice of the charges which allegedly support the entry of such an Order and afford the registrant to whom such notice is directed the opportunity for a hearing on the charges. All such hearings shall be conducted in accordance with the Administrative Procedures Act, N.J.S.A. 52:14B-1 et seq., and the Uniform Administrative Procedure Rules, N.J.A.C. 1:1, promulgated thereunder by the Office of Administrative Law, and any rules of the Commission applicable to such hearings.

1. If the Commission makes a finding of fact in writing that the public interest will be irreparably harmed by a delay in issuing an order, it may issue a temporary cease and desist order. Every temporary cease and desist order shall include in its terms a provision that upon written request of the party to whom the order was directed, a hearing will be held within 15 days of the Commission's receipt of the request.

11:5-9A.6 Public offering statements

(a) No person shall dispose of any timeshare interest in a registered timeshare plan unless he or she delivers a current public offering statement and affords the purchaser a reasonable opportunity to read the same before the purchaser signs the contract or purchase agreement.

1. In all cases where a New Jersey purchaser has not had contact with an authorized New Jersey broker, registrants shall maintain the signed and dated receipt for the New Jersey public offering statement and a copy of the contract which the New Jersey purchaser signed for a period of seven years.

(b) The public offering statement shall disclose fully and accurately the characteristics of the timeshare plan offered and shall make known to prospective purchasers all unusual and material circumstances and features affecting the timeshare plan. The public offering statement shall be in clear and concise language and combine simplicity and accuracy in order to fully advise purchasers of their rights, privileges, obligations and restrictions.

1. The public offering statement shall be in a form authorized by the Commission. No change in form shall be made without the consent of the Commission.

2. The Commission may require an applicant to alter or amend the proposed public offering statement in order to assure full and fair disclosure to prospective purchasers.

3. A public offering statement shall not be deemed current unless it contains all amendments approved by the Commission.

4. Applicants and registrants shall report to the Commission any material change, as defined in N.J.A.C. 11:5-9A.5, in the information contained in any proposed or approved public offering statement in accordance with N.J.S.A. 45:15-16.60b(1) and shall simultaneously submit a request for approval of the appropriate amendments.

5. The Commission shall process and review requests for amendments to public offering statements in accordance with the standards and procedures established in N.J.A.C. 11:5-9A.5.

6. The public offering statement shall not be used for any promotional purposes before registration of the project, and thereafter only if used in its entirety.

7. No public offering statement shall indicate, and no person shall represent or imply, that the Commission approves the merits of, or recommends the purchase of, an interest in the properties described in the offering.

8. Prior to distributing a public offering statement as required under the Act in a language other than English, registrants who advertise in a language other than English shall file with the Commission copies of the public offering statement approved by the Commission printed in both English and in the language in which the advertising appears. The filing shall be accompanied by a certification attesting to the accuracy of the translation of the text of the public offering statement. The certification shall be in a form as specified by the Commission and signed by an authorized representative of the registrant and a qualified translator.

9. The public offering statement shall contain a statement, printed in 10 point type or larger and conspicuously located, indicating that within seven days after receipt of the public offering statement or execution of the purchase contract, whichever is later, a purchaser may cancel any purchase contract for a timeshare interest from the developer. The statement shall also contain the name and street address to which the purchaser shall mail any notice of cancellation. If by agreement of the parties in the contract, and/or if local law in the jurisdiction where the timeshare interest is located provides for a cancellation period of greater than seven days, then the longer cancellation period shall apply and the public offering statement shall so state.

10. All public offering statements shall contain a glossary defining the key terms in the offering statement and timeshare plan. This glossary shall be located prior to the narrative portion of the offering statement.

11. The following documents, if applicable, shall be contained in the public offering statement or simultaneously provided to the purchaser:

- i. The timeshare instrument;
- ii. The association articles of incorporation;
- iii. The association bylaws;
- iv. The association rules;
- v. Copies of any leases or contracts, excluding the purchase contract and loan documents, required to be signed by the purchaser;
- vi. The actual or estimated operating budget for the timeshare plan containing the information required under N.J.S.A. 45:15-16.59(b)13, and the schedule of purchaser's expenses;

vii. The form of any applicable agreement for the escrow of ad valorem tax escrow payments;

12. A signed and dated receipt for the public offering statement and required documents shall be maintained by the developer, along with an executed copy of the purchaser contract for a period of seven years. If the documents are delivered in an alternative format as permitted under N.J.S.A. 45:15-16.59(a), a signed receipt evidencing the purchaser's acceptance of the documents in the alternative format, shall also be maintained by the developer.

11:5-9A.7 Exemptions

(a) Any person who believes that an offering may be exempt from the provisions of the Act, or who is contemplating marketing property in New Jersey which he or she believes may be exempt, may apply to the Commission for a letter of exemption. Such application shall be in written affidavit form and shall list the reasons why the offering or proposed offering may be exempt from the Act. Such an application for exemption shall be accompanied by a non-refundable fee of \$ 100.00.

1. In the event the Commission shall determine that the offering is exempt from the Act, it shall issue a letter of exemption setting forth the facts upon which the determination is based.

2. In the event the Commission shall determine that the offering is not exempt from the provisions of the Act, it shall deny the request for exemption in writing, setting forth therein the facts upon which the determination is based, and shall send such writing to the applicant via certified mail, return receipt requested.

3. The Commission shall issue a determination as to whether an offering is or is not exempt within 30 days of its receipt of a complete request for exemption, with the appropriate fee.

4. Any person who is aggrieved by such a determination is entitled to a hearing, in accordance with the Administrative Procedure Act, N.J.S.A. 52:14B-1 et seq., and the Uniform Administrative Procedure Rules, N.J.A.C. 1:1, on the determination, provided said hearing is requested in writing no later than 30 days from the date of the applicant's receipt of notice of such determination.

(b) If the nature of the proposed offering indicates that the applicant would be subject to the registration requirements of the Act, the applicant may apply to the Commission for a limited exemption. If the Commission determines that enforcement of the entire Act and all of these rules is not necessary in the public interest or for the protection of purchasers due to the small amounts involved or the limited character of the offering, it shall issue a limited exemption from registration to the applicant.

1. A limited exemption may be granted by reason of the limited character of the offering where the nature of the property, or of the prospective purchasers to whom the timeshare interest shall be offered, is such that it is likely prospective purchasers shall have expert advice concerning the purchase independent of that supplied by the applicant or his agents. An application for a limited exemption for this reason shall include a copy of any prospectus, offering statement or other such solicitation. A limited exemption granted for this reason shall be confined to the group of offerees specified in the application.

2. An application for a limited exemption shall specify the particular timeshare interests for which exemption is sought. Any limited exemption granted shall be confined to those timeshare interests so specified.

3. An application for a limited exemption shall include a narrative description that clearly describes the nature of the offering and the factual basis and reasons why the limited exemption should be granted.

4. Any limited exemption granted shall remain in effect for a period of two years from the date of issuance indicated in the letter of exemption, unless revoked as described below.

5. Any limited exemption granted shall permit the recipient to offer the timeshare interests covered by the limited exemption to New Jersey residents without obtaining an order of registration. A limited exemption shall not deprive the Commission of jurisdiction to enforce any other provision of the Act or this subchapter, or to revoke the limited exemption after notice and opportunity to be heard.

6. A \$ 300.00 non-refundable fee shall be tendered with any application for a limited exemption.

7. All applications for a limited exemption shall comply with the following minimum requirements.

i. The filing of a limited exemption application affidavit-questionnaire;

ii. The filing of proof of title specifying the units or interests to be exempted;

iii. The filing of satisfactory proof of surety and/or financial assurances for any promised improvements or amenities;

iv. The advertisement standards and procedures established by this Act, and

v. The filing of any other documents that the Commission shall deem necessary.

8. No limited exemption granted hereunder shall be effective until a letter of limited exemption is issued by the Commission to the applicant for the exemption

9. Any material change in the information reflected on the application for a limited exemption or on any documentation submitted in support of such application, shall immediately void any exemption issued based upon such application.

(c) Any offering under this subsection may only be made to those persons who are current bona fide owners of an interest in a timeshare plan currently registered under the Act or previously registered under the Act, or under N.J.S.A. 45:15-16.27 et seq. or the Planned Real Estate Development Full Disclosure Act, N.J.S.A. 45:22A-21 et seq., by the same developer making the offer. A developer of a timeshare plan that either is or was so registered may offer and dispose of an interest in another timeshare plan created by that developer that is located outside of this State and not registered under the Act to a person in this State who is a current owner of an interest in the currently or previously registered timeshare plan provided that:

1. The developer files a notice with the Commission identifying the timeshare plan that it intends to offer;

2. The developer certifies that all purchasers shall be provided with all disclosure documentation required by law to be provided in the jurisdiction in which the timeshare plan is located;

3. The developer certifies that New Jersey purchasers shall be provided with a right to rescind their purchase within seven days after the purchase contract is signed and all documents required under this Act and local and municipal law are delivered, whichever is later. If local or municipal law grants a longer rescission period, then the longer period would apply;

4. The developer submits a fee of \$ 300.00 per notice filed in accordance with (c)1 above, and

5. If the offer is made to owners of interests in a previously registered timeshare plan, the registration of that plan was terminated in good standing as provided in N.J.S.A. 45:15-16.60c, 45:15-16.40c or 45:22A-31, as applicable.

11:5-9A.8 Advertising and sales promotions with respect to the sale and marketing of registered timeshare plans

(a) Advertisements that refer to the purchase price of a timeshare interest shall state the full purchase price and shall disclose any known or estimated additional assessments or costs to the purchaser.

1. No advertisement shall refer to a price increase unless the amount and date of the increase are indicated.

(b) No advertisement shall refer to any common element or facility that does not presently exist unless that fact is prominently stated in the advertisement, accompanied by the proposed date of completion, which shall also appear prominently in the advertisement.

(d) Unless otherwise noted in the contract of sale, any model unit that is used as part of a promotional plan shall be in substantial conformity with the units that have been or are subsequently constructed.

(e) The owners of timeshare plans that are not registered with the Commission, nor wholly or partially exempt from the Act, shall not make or cause to be made an offer or disposition of any timeshare interest in such a plan to a person or resident within this State regardless of whether the offer or disposition originates within or outside of this State.

1. When advertisements for such properties or interests are placed in any media which is distributed in or broadcast into this State, a disclaimer shall be included indicating that the properties or interests are not registered with the New Jersey Real Estate Commission and that the advertisement is not an offer to New Jersey residents.

(f) Any advertisement, including those which contain offers of reimbursement of travel expenses and/or offers of premiums or other inducements, shall also comply with the provisions of the New Jersey Consumer Fraud Act, N.J.S.A. 56:8-1 et seq.

(g) Registrants who advertise in a language other than English shall make available to prospective purchasers all disclosure documents, including, but not limited to, the public offering statement, and the sales contract written in the same language as that used in the registrant's advertisements.

11:5-9A.9 Inspection of timeshare offerings

(a) As provided in N.J.S.A. 45:15-16.84, the Commission, at its discretion, may make on-site inspections of any timeshare

plan which is the subject of an application for registration, either before an order of registration has been issued or thereafter. The Commission may in its discretion conduct subsequent on-site inspections.

(b) The costs of inspections shall be paid by the applicant who shall provide a deposit when requested by the Commission. After the inspection, the Commission shall provide the applicant/registrant with a statement of costs incurred and a refund of any portion of the deposit not expended or a request for additional funds if required.

11:5-9A.10 Fees

(a) All applicants for registration shall pay application fees as prescribed in N.J.S.A. 48:15-16.64 and in (e) below.

(b) Any request for approval of a material change in, or an amendment to, an application for registration on the basis of which an order of registration has been issued and/or an order of registration and/or a public offering statement shall be accompanied by a fee of \$ 300.00. No fee shall be charged for amendments to applications or proposed public offering statements made prior to the issuance of an order of registration.

1. If applications are made simultaneously for approval of a material change and/or an amendment to an order of registration and/or an amendment to a previously approved public offering statement, only one fee shall be payable.

2. If applications are made for approval of multiple material changes, and/or multiple amendments to an order of registration, and/or multiple amendments to a public offering statement simultaneously, only one fee shall be payable.

(c) In accordance with the provisions of N.J.A.C. 15:3, the Commission shall maintain a copy of every application for registration of a timeshare plan that is currently registered together with all amendments thereto and shall make them reasonably available for public inspection during ordinary business hours at the Commission's office.

11:5-11.9 Applications for temporary suspension

(a) The Commission may on its own motion, and upon the terms and conditions as set forth in N.J.S.A. 45:15-17.1 and as the Commission deems appropriate, enter an order temporarily suspending the license of any licensee upon making a finding that prima facie evidence exists that:

1. The licensee has failed to account for or to pay over any moneys belonging to others that have come into the possession of the licensee, in violation of N.J.S.A. 45:15-17(d); or
2. The licensee has commingled his or her personal money or property with the money or property of others or has failed to maintain and deposit such moneys in a special account, separate and apart from personal or other business accounts, when acting in the capacity of a real estate broker, or escrow agent, or as the temporary custodian of the funds of others, in a real estate transaction, in violation of N.J.S.A. 45:15-17(o).

(b) At least 24 hours prior to ordering a temporary suspension, the Commission shall give notice to the licensee of the application for the order and provide the licensee an opportunity to appear before the Commission to show cause why the license should not be suspended pending a full hearing of the matter. Such notice shall be given in writing or telephonically.

1. Written notice shall be served personally or sent by certified mail to the last known business address of the licensee.
2. Telephonic notice shall be confirmed in a writing sent to the licensee's last known business address as soon as practicable after the delivery of the telephonic notice.

3. The person who personally or telephonically delivers notice of an application for a temporary suspension shall execute a certification confirming that he or she has provided the notice, which certification shall be submitted into the record of the proceeding on the application for the temporary suspension.

(c) At the hearing on the application for the temporary suspension, the Commission shall consider evidence presented by the licensee to explain, disprove or rebut the prima facie evidence upon which the application for the temporary suspension is based. Unless otherwise provided in N.J.S.A. 45:15-17.1, the provisions of N.J.A.C. 1:1-12.6(f) shall apply to proceedings on applications for temporary suspensions.

(d) Prior to entering any order imposing a temporary suspension as provided in (a) above, the Commission shall also make findings that:

1. An adequate good faith effort to provide notice to the licensee was made and that the licensee was afforded an opportunity to be heard. Submission of the certification referred to in (b) above shall be sufficient to establish that an adequate good faith effort was made to provide notice of the proceeding;
2. Based on the evidence presented, there is a substantial likelihood that the charging party will prevail on the merits when the matter is fully argued before the Commission; and
3. Immediate and irreparable harm will probably result before the licensee can be fully heard. Prima facie evidence of a violation of N.J.S.A. 45:15-17(d) or (o) shall be considered sufficient to satisfy this criterion.

(e) All orders imposing temporary suspensions shall advise the suspended licensee of the date upon which the Commission shall hold a full evidentiary hearing on the violations upon which the temporary suspension is based, which date shall be no more than 30 days following the effective date of the temporary suspension. Such a hearing shall be a plenary hearing, conducted in accordance with N.J.A.C. 1:1-14.1 through 14.7.

(f) The temporary suspension shall become effective upon issuance by the Commission, and the licensee and his or her broker shall promptly be notified of its issuance, whereupon the license of the suspended person shall immediately be returned to the Commission. The Commission shall confirm the suspension in a written order which shall be served upon the licensee and his or her broker via personal service or by certified mail, return receipt requested at the licensee's last known business address.

(g) In order to entertain applications for temporary suspensions made during time periods when the Commission is not scheduled to meet, or when a quorum cannot be obtained, the Commission may delegate to three commissioners, at least one

of whom shall be either the President or Vice-President of the Commission and at least one of whom shall be a public member, the authority to temporarily suspend a license as provided in (a) through (f) above. In such circumstances, all references in these rules to the Commission shall be construed as referring to the three commissioners so designated by the Commission.

1. A Commission-licensed real estate instructor or Commission-approved continuing education course instructor shall earn credit for teaching an approved continuing education course offered by an approved provider. 2. A person who successfully completes one or more broker pre-licensure education courses as set forth in N.J.A.C. 11:5-2.1 shall be deemed to have fulfilled the continuing education requirement applicable to the license that such person may seek to renew upon the conclusion of the license term during which the broker pre-licensure course was completed; and

Renewing licensees who complete the continuing education requirements on or before April 30 of the second year of a biennial license term shall not be required to pay this processing fee.

Licensees shall acquire at least six of the 12 continuing education credits required for license renewal pursuant to this subchapter in one or more of the following core topic areas:

(For example, if a licensee receives a waiver of six core credits in the first licensing term, then the licensee must complete those six previously waived core credits and the full 12 continuing education credits, for a total of 18 credits, in the immediately following licensing term in order to be eligible for renewal upon the conclusion of that license term.)

(g) Licensees who receive a waiver of the elective course requirement shall not be required to make up the waived elective course(s).

Providers whose approval is expiring may seek re-approval by complying with all of the requirements set forth in this section, including payment of the non-refundable application fee. Applications for re-approval may be submitted commencing on January 1 of the year in which approval is scheduled to expire. 5. All recordkeeping and supplying of information to the Commission or its designee in accordance with the provisions of this subchapter; and
6. Ensuring that all course offerings comply with the requirements imposed by this subchapter (for example, appropriate facilities).

(b) Providers shall notify the Commission in writing prior to any change in the provider's business name(s), its continuing education coordinator and the contact information for that individual, the provider's business telephone number, or any material change in its qualifications (for example, a change in the provider's location at which classroom-based courses are offered).

(c) Each non-distance learning course shall be conducted at a location and in such facilities as shall be appropriate to properly present the course. The providers of such courses shall ensure that they are conducted at times and in locations that are conducive to learning, free of excessive distractions and segregated from non-course related activity, including any solicitation activity directed to attendees of the course. The facilities at which such courses are offered shall comply with all local, state and Federal laws and regulations.

(d) Providers shall be responsible for verifying attendance at each continuing education course delivered in a classroom or conference room setting, or verifying completion of each continuing education course delivered via distance learning, by the licensee who, based upon information reported by the provider, will receive credit for having completed the course.

1. Providers of non-distance learning continuing education courses shall verify the identity of all individuals attending such courses. Providers may do so by requiring such individuals to present a driver's license or other form of photographic identification and their real estate license pocket card to a representative of the course provider at the location where the course is offered, or through other means that assure that the individual attending the course is the licensee who registered for the course.

(e) Prior to a student's completion of the process of registering for a continuing education course and a provider's acceptance of any fee related to such registration, the course provider shall provide prospective students with a notice which specifies the number of credits for which the course is approved and whether the course is on a core or elective topic. The notice shall also include information about course fees, refund policies, course subject matter and learning objectives, procedures and requirements for satisfactory course completion.

(b) For a period of six years, providers shall maintain and be capable of producing for inspection by a Commission representative the course and instructor evaluations referenced in (h) and (i) below and the information on the satisfactory completion of continuing education courses by licensees set forth in (d) below. In addition, providers shall maintain and be capable of producing for inspection copies of all course-specific written material provided to students who attend a course. Presuming there is no change in such written material, only one set of copies need be maintained, regardless of the number of times the provider offers the course.

(c) Providers shall use recordkeeping systems that are capable of producing written reports on attendance at approved continuing education courses which include all of the information set forth in (a) above.

(d) Providers shall electronically submit data to the Commission or its designee on a weekly basis identifying those licensees who have completed continuing education courses offered by the provider during the preceding reporting period and shall include, at a minimum, the following information in each record of the completion of a continuing education course by a licensee:

1. The licensee's name and license reference number,

(f) Providers who offer distance learning courses shall utilize systems that assure that students have actually performed all tasks designated to assure student participation and otherwise comply with all applicable provisions of N.J.A.C. 11:5-12.12 and 12.14.

(g) An approved provider shall notify the Commission in the event that it intends to cease offering continuing education courses. Such notice shall be submitted in writing no later than 30 days prior to the provider's cessation of operations as a continuing education course provider and shall specify that the records required by this section will be maintained by the provider for the six-year period referenced in (b) above, and the location at which those records will be maintained.

(h) Providers shall request all students who complete the continuing education courses they provide to submit evaluations of the course(s) attended by the student and, for all courses except distance learning or correspondence courses that are not taught by an instructor, of the instructor of the course. All students who supply such evaluations shall remain anonymous. The evaluations shall provide for the students to indicate their favorable, neutral or negative assessments of the performance factors referenced in (h)4 and 5 below.

1. Providers of non-distance learning courses may request that students manually complete such evaluations during the

concluding minutes of the course or electronically subsequent to the completion of the course.

2. Providers of distance learning courses shall request that students complete such evaluations electronically upon completing the course.

3. All evaluations shall specify the name and identification number of the provider and the name and identification number of the instructor and course being evaluated.
